

SMS Overview and Benchmarking Workshop – 1 Day

INTRODUCTION

Periodically we should consider our Safety Management Systems in a more Holistic way to consider whether it is delivering the optimum benefit for our organisation.

This 1 day course aims to provide a comprehensive review of the overall effectiveness of our SMS. Delegates will undertake an overall review of SMS best practice and together with the regulatory driven obligations will perform a GAP analysis against their own organisation system.

The course is extremely intensive highly practical, and promotes best industry practices. It is an industry specific one-day program specifically designed for those who need to engage with a full understanding and manage, or deliver specific guidance within their own organisations.

The course is a highly participative and stimulates involvement and provides for powerful motivation.

Extensive use is made of group exercises, workshop activities, case studies and feedback.
