AVIATION SERVICES

### Spring is the Season of Promise!

It's the time of year when nature is changing, bringing new life and hope. After the long, winter months, spring is a breath of fresh air, heralding a time for change, opportunity and new adventures.

We are pleased to welcome you the Sofema Aviation Services Spring Newsletter and hope you will take a few moments to see what is happening in SAS.

Did you know we can develop bespoke training at no charge! - email [ask@sassofia.com](mailto:ask@sassofia.com)

Warm wishes for a wonderful season ahead!  
SAS Team

SAS continues to Grow to serve you better! Since inception in 2008 SAS has awarded more than 12,500 certificates to satisfied delegates

Our Portfolio of courses continues to develop. Currently we are offering more than 250 EASA Compliant Courses. Click for more details

SAS offers Interactive WEB Based Training. This is an additional opportunity to receive Regulatory and Vocational Training

**MEMS versus SMS**  
SAS can support you to Integrate MEMS into your organisation's SMS system.

**Multi Delegate Discount Scheme**  
- Helping organisation deliver training budget value is an enduring SAS objective

Here's a surprise - What SAS can do for you? We would like to share our new corporate brochure with you.

## EASA Part 66 - Is here for You! - Support - Guidance - Examinations

SAS and European Training Institute offers EASA Part 66 Online Preparation through [www.EASAOnline.com](http://www.EASAOnline.com) and formal EASA 147 module exams with EAI

We are very excited at the opportunity to provide an online experience to prepare delegates for the EASA Part 66 Module exams.

(Offered in conjunction with our Part 147 training partner European Aviation Institute).

Currently on offer are the following modules - Module 1, 2, 3, 4, 9, 10, with more being loaded on a continuous basis, please check [here](#)

We will be pleased to help you to sit your modules under full EASA Part 147 conditions either in Bucharest or in one of our regional training centres - [Bangkok](#) opens early Summer of 2017

 Enhancement to SAS preferred training partner discount program - receive up to 40% regular discount

# SAS Holds New Low Prices for Open Training through 2017

Low prices alone does not impress our clients but combined with experience, knowledge background, customer focus and a dedication to service we have no doubt

we are a world leader providing EASA regulatory compliant training.

We are pleased to announce that we are holding the open training delegate attendance with the highest price being a highly competitive 365 USD for a 1 day intensive training and only 650 USD for our 2 day intensive regulatory or vocational training.

Please see what our customers are saying about us [here](#)
