Part M Essentials for Large Aircrafts with VO

This course will introduce delegates to the working of the Part M Regulatory Structure and to enable a full understanding of the operator's responsibilities, contracted arrangements, Subpart G responsibilities.

The Aims of the course are to give delegates a detailed overview of EASA Part 145 regulation. The training will also promote the delegates understanding concerning both airworthiness and maintenance principles, including a thorough understanding of the Role of Part 145 in all jurisdictions managed by an EASA Regulatory environment as applicable.
