# OUR ONLINE TRAINING COURSES ARE DESIGNED TO BE EASILY ACCESSIBLE, AFFORDABLE AND OPTIMALLY STRUCTURED TO HELP YOU REACH YOUR GOALS

## Part M Essentials for Large Aircrafts

The course delivers a detailed practical understanding of EASA Regulations relevant to the Part M Environment. An understanding of the maintenance organisations responsibilities, contracted arrangements, and a thorough understanding of the organizational responsibilities associated with Part M compliance.

## Aircraft Technical Records

This training will provide an understanding regarding the role of Technical Records within the CAMO group and 145 organisation and how an effective technical records system can protect asset value.

It will help you to achieve an awareness of both requirements and best practice related to the management of EASA Compliant Aircraft Technical Records.
