TRAINING COURSE DETAILS

Airline & MRO EASA Quality Auditing for Regulatory Authorities – 1Day

Why should I choose SAS for this training?

Sofema Aviation Services a Regulatory training and consulting company with 45 years commercial aviation experience and 10 years operational experience. Since we started we have provided certificates to approx. 15,000 delegates we have grown for 2 primary reasons!

The first is that we are professional and we listen to our customers. Please visit our [download area](#) as an example of how we engage with our customer . The second is not only the fact that our prices are far more cost effective than our competitors it is that [our discount program](#) leaves all the others way behind – please do not take our word for it check it out!

What Makes SAS Airline & MRO EASA Quality Auditing for Regulatory Authorities - 1 Day Different?

Because our courses are written by people who have lived through the regulations. The author of the training material has more than 25 years' experience as an auditor across the entire regulatory spectrum.

At Sofema Aviation Services our focus is on accepting that compliance with Regulations is in fact minimum compliance. Interpreting the regulations in a way which enables the development and optimisation of our business is where we should see opportunity to drive efficiencies and cost saving.
