## Accountable Manager Regulatory Obligations EASA & GCAA Training – 1 Day

### INTRODUCTION

This is intensive 1 day training for busy Industry leaders; the focus on the training is a comprehensive understanding of Roles and Responsibilities.

The course is aimed at persons who have the specific obligations regarding the accountability for the organization to meet its obligations in respect of Safety, Quality, Regulatory Compliance and Financial well being. Including AOC, 145 and other Approved Organizations.

This in depth course provides a detailed practical training in management obligations and methodologies to ensure a fully compliant, effective and efficient organization.

The course is highly participative, and promotes industry best practices as standard, it is delivered in a confidential environment by an industry professional with over 40 years Commercial Aviation experience.

Aviation Authorities may choose to interview Form 4 candidates. All relevant areas are covered during the course.

A short review of both EASA and GCAA regulations will be provided during the introduction.

## Why Should I choose SAS for the training?

Sofema Aviation Services a Regulatory training and consulting company with 45 years commercial aviation experience and 10 years operational experience. Since we started we have provided certificates to approx 15,000 delegates we have grown for 2 primary reasons!

The first is that we are professional and we listen to our customers. Please visit our [download area](#) as an example of how we engage with our customer.

The second is not only the fact that our prices are far more cost effective than our competitors it is that our [discount program](#) leaves all the others way behind – please do not take our word for it check it out!

## What Makes SAS Accountable Manager Regulatory Obligations EASA & GCAA Training - 1 Day Different?

Because our courses are written by people who have lived through the regulations. The author of the training material has more than 25 years' experience as an auditor across the entire regulatory spectrum.

At Sofema Aviation Services our focus is on accepting that compliance with Regulations is in fact minimum compliance. Interpreting the regulations in a way which enables the development and optimisation of our business is where we should see opportunity to drive efficiencies and cost saving.
