

Dangerous Goods Training Program – Train the Trainer (Category 1,2,3 & 6) – 5 Days

INTRODUCTION

Dangerous Goods training is established as mandatory requirements by the International Civil Aviation Organisation (ICAO) in their Technical Instructions for the Safe Transport of Dangerous Goods by Air. In order to fulfil those requirements national competent authority of each Member State established uniform rules accordingly.

It is important that all relevant employees receive training that is commensurate with their responsibilities. In addition recurrent training must be provided within 24 months of previous training to ensure knowledge is current.

The success of a training depends of the ability of the Instructor to deliver correct and comprehensive training. According IATA DGR 1.5.7.1 “instructors of initial and recurrent dangerous goods training programmes must have adequate instructional skills and have successfully completed a dangerous goods training programme in the applicable category”.

The course is highly practical, and promotes best training practices. It is an five-day program specifically designed for those who need to deliver Dangerous Goods Training.

The course is a highly participative and stimulates involvement and provides for powerful motivation. To introduce the delegate to training skills and to provide the confidence which can be developed to deliver effective and compliant Dangerous Goods Training within your organizations.

Who is the Course for?

The course is designed for the needs of the Dangerous Goods Instructor to be compliant with the standards established by Industry and required by ICAO.

The course will be of high interest to cargo professionals engaged with transport of hazardous materials by Air and interested in becoming Dangerous Goods Instructors for all Categories of Dangerous Goods Training.
