TRAINING COURSE DETAILS

## Republic Of Indonesia DGCA Logistics & Stores Inspection Procedures – Essentials – 1 Day

### Introduction

Developing a thorough awareness regarding the most effective and efficient Indonesia DGCA Civil Aviation Safety Regulation (CASR) compliant Stores and Logistics processes in your organization will benefit both the employee and the employer.

The CASR Part 145 Stores Management and Inspection System is an essential element of the Part 145 approval. It must be managed using trained and competent personnel.

This course meets the intent of IOSA MNT 4.5.6 - The Operator shall ensure each maintenance organization that performs maintenance for the Operator has a training programme that provides for initial and continuation training for receiving inspectors and describes Part 145 Stores Inspection competency training.

Sofema Aviation Services training courses provide a practical understanding of the interpretation of civil aviation regulations to ensure that the certificate holder can comply in the most effective way.

### Who Is The Course For?

It is for anyone with an interest to acquire a thorough awareness of CASR Part 145 Stores Management & Inspection Procedures from new-hire staff to Management personnel.

The course will be of special interest to personnel new to the Stores & Logistics environment wishing to understand the regulations.

The course will also benefit Quality Auditors to raise a detailed awareness to support the audit process.

## What Is The Benefit Of This Training - What Will I Learn?

This training is designed to cover all elements which are essential to the effective management and operation of a fully compliant store. This in depth 1-day training is designed to provide attendees with:

- a) A detailed practical understanding of the requirements to Manage and Develop an Aviation Store.
- b) An understanding of the processes which drive effective management of an Indonesia DGCA Compliant Store.
- c) The ability to explain the regulations which cover CASR Part 145 related to the Logistics Process for staff involved in Stores Management and Receipt Inspection.
- d) An understanding of the process of managing documentation related to Airworthiness and Receipt Certification principles.
- e) An understanding of the principles of receiving and inspecting ESDS components.
- f) The ability to develop procedures for use in Stores and Goods Inspection.
- g) The problems associated with identifying Suspect Unapproved Parts.
- h) The confidence to fully comply within the supply chain and the ability to perceive opportunity to optimize.
- i) The ability to demonstrate CASR Part 145 Supply Chain Compliance to maintain effective Quality Control and to avoid or mitigate problems.

## Why Should I Choose SAS for the Training?

Sofema Aviation Services is a Regulatory Training and Consulting company with 45 years of commercial aviation experience and 10 years operational experience. Since the start we have provided certificates to approx 20,000 delegates and we have grown for 2 primary reasons!

The first is that we are professional and we listen to our customers.

The second reason is a combination of outstanding course fees, together with a world beating discount program which leaves our competitors way behind – please do not take our word for it, [check it out!](#)

## What Makes SAS Republic Of Indonesia DGCA Logistics & Stores Inspection Procedures - Essentials - 1 Day Training Different?

Because our courses are written by experts who have managed the Republic of Indonesia DGCA Approved Maintenance Organizations in an operations capacity, and in a Quality & Safety role. This allows the instructor to draw on his knowledge and relate to his experiences to deliver an effective training session beneficial for the delegates.

At Sofema Aviation Services our focus is on accepting that compliance with Civil Aviation Safety Regulations is in fact minimum compliance. Interpreting the regulations in a way which enables the development and optimization of the business is where we should see opportunities to drive efficiencies, and cost savings.
