

TRAINING COURSE DETAILS

Logistics & Stores Inspection Procedures EASA – Essentials – 1 Day

INTRODUCTION

Developing a detailed awareness regarding the most effective and efficient EASA compliant Stores and Logistics processes in your organisation will benefit both the employee and the employer

The EASA 145 Stores Management and Inspection System is an essential element of the 145 approval. It must be managed and staffed by trained and competent staff.

The course meets the intent of IOSA (MNT 4.5.6 The Operator shall ensure each maintenance organisation that performs maintenance for the Operator has a training programme that provides for initial and continuation training for receiving inspectors) and Part 145 Stores Inspection competency training.

Who is the Course for?

It is for anyone with an interest who needs a detailed awareness of EASA Part 145 Stores Management & Inspection Procedures from newcomers to Post Holders.

The course will be of interest to New Entrants in Stores & Logistics wishing to understand the regulations.

The Course will also benefit Quality Audit Staff to raise a detailed awareness to support the audit process.

What is the Benefit of this Training - What will I learn?

This training is designed to cover all elements which are essential to the effective management and operation of a fully compliant store. This in depth 1 day training is designed to provide attendees with: A detailed practical understanding of the requirements to Manage and Develop an Aviation Store.

a) Understand the processes which drive effective management of an EASA Compliant Store.

Why Should I choose SAS for the training?

Sofema Aviation Services is a Regulatory Training and Consulting company with 45 years of commercial aviation experience and 10 years of operational experience.

Since the start, we have provided certificates to approx. 20,000 delegates and we have grown for 2 primary reasons!

The first is that we are professional and we listen to our customers.

The second is not only the fact that our prices are far more cost-effective than our competitors it is that our discount program leaves all the others way behind - please do not take our word for it [check it out!](#)

What Makes SAS Logistics & Stores Inspection Procedures EASA - Essentials - 1 Day Training Different?

Because our courses are written by people who have lived through the regulations. The author of the training material has more than 25 years' experience as an auditor across the entire regulatory spectrum.
