

IOSA Fundamental Course for Managers and Key Personnel – 2 Days

Introduction

Multiple external organisations carry out various indepth audits to airlines such as IOSA. The purpose of this course to prepare your airline/organisation for international standards/requirements and audits.

IOSA program is an internationally recognized and accepted evaluation system designed to assess the operational management and control systems of an airline It is a global safety audit program. Audit standards include ICAO safety and security provisions and industry best practices from ICAO Annexes 1, 2, 6, 8, 17, 18 and 19. This program is available to all commercial passenger & cargo airlines.

For Airline Operational Managers and Key Personnel, this course mainly considers how to document and implemet IOSA requirements to ensure compliance with IOSA program. This course will provide relavant information to increase airline safety and security standards in scope of IOSA program.

Who is the Course for?

Operations Post Holders and proposed Nominated Persons (NP) Flight Ops, Maintenance, Crew Training and Ground Ops, Upper/Senior Managers for Cargo, Cabin, Dispatch, Security and Documentation Department as well. Compliance Monitoring Managers (Quality Managers) and Safety Managers.

Operational Directors, Managers and Supervisors who are responsible for the implementation of the IOSA program in their company.

TRAINING COURSE DETAILS

Why should I choose SAS for this training?

Sofema Aviation Services is a Regulatory Training and Consulting company with 45 years of commercial aviation experience and 10 years operational experience. Since the start we have provided certificates more than 20,000 delegates and we have grown for 2 primary reasons!

The first is that we are professional and we listen to our customers and trainees.

The second reason is a combination of outstanding course fees, together with a world beating discount program which leaves our competitors way behind – please do not take our word for it, [check it out!](#)

What Makes SAS IOSA Fundamental Course for Managers and Key Personnel - 2 Days Different?

Because our courses are written and prepared by Aviation Instructors who have lived through the regulations and standards. The author of the training material has more than 25 years' experience as an Auditor/Instructor across the entire regulatory spectrum.

At Sofema Aviation Services our focus is on accepting that compliance with Regulations and Standards is in fact minimum compliance. Interpreting the regulations and standards in a way which enables the development and optimisation of our business is where we should see opportunity to drive efficiencies and cost saving.
