

TRAINING COURSE DETAILS

Part 21 POA AM & NP Regulatory & Quality & Safety Obligations - 2 Days

INTRODUCTION

Intensive 2-day training for busy Industry leaders; the focus on the training is a comprehensive understanding of Roles and Responsibilities of Accountable executives and Post Holders (Nominated Persons) within an EASA Part 21 G Production Organisation (POA)

The course is aimed at persons who have the specific obligations regarding the accountability for the organization to meet its obligations in respect of Safety, Quality, Regulatory Compliance and Financial well being

This in-depth course provides detailed practical training in management obligations and methodologies to ensure a fully compliant, effective and efficient organization. The course is highly participative and promotes industry best practices as a standard, it is delivered in a confidential environment by an industry professional with over 45 years of Commercial Aviation experience.

Aviation Authorities may choose to interview Form 4 candidates. All relevant areas are covered during the course. A full review of EASA regulations will be provided during the introduction.

Who is the Course for?

Regulatory Authority Members, Production Organisation Accountable Managers and proposed Nominated Persons (NP), Compliance Monitoring Managers (Quality Managers) and Auditors, Safety Managers.

What is the Benefit of this Training - What will I learn?

- a) Achieve a deep understanding regarding the obligations and expectations of a POA Accountable Manager (AM) or Nominated Postholder (NP).
- b) Achieve an understanding of the Responsibilities of the Nominated Post Holder and Business Area Managers
- c) Develop a focus on Management System Obligations including Quality Control and Quality Assurance together with the developing Safety Management
- d) Understand the relationship between the Quality Management System (QMS) and Safety Management System (SMS)
- e) Develop an understanding in preparation for Competent Authority (CA) interviews

Why should I choose SAS for this training?

Sofema Aviation Services is a Regulatory Training and Consulting company with 45 years of commercial aviation experience and 10 years operational experience. Since the start we have provided certificates to approx 20,000 delegates and we have grown for 2 primary reasons!

The first is that we are professional and we listen to our customers.

The second reason is a combination of outstanding course fees, together with a world beating discount program which leaves our competitors way behind – please do not take our word for it, [check it out!](#)

What Makes (EC) Regulation 1178/2011 Training -2 Days different?

Because our courses are written by people who have lived through the regulations. The author of the training material has more than 25 years' experience as an auditor across the entire regulatory spectrum.

At Sofema Aviation Services our focus is on accepting that compliance with Regulations is in fact minimum compliance. Interpreting the regulations in a way which enables the development and optimisation of our business is where we should see opportunity to drive efficiencies and cost saving..
