

Aviation Leadership and Management Skills Development – Leadership Skills – 1 Day

Introduction

Leaders are aware of the potential impact of their decision good or bad and have the capacity to make what can be hard decisions moreover leaders know what they want to achieve and have the strength of character to pursue their objectives even in the face of opposition and often in spite of failures.

Leaders are able to demonstrate Integrity not to promise what cannot be delivered conversely to stand by their commitments.

To demonstrate honesty and to set an example to their team both in their professional and their personal lives. To demonstrate a genuine attitude to trust and to seek to earn the trust of their team. To demonstrate dedication to the team and the task to work relentlessly to achieve the shared goals.

Why Should I choose SAS for the training?

Sofema Aviation Services a Regulatory training and consulting company with 45 years commercial aviation experience and 10 years operational experience. Since we started we have provided certificates to approx 25,000 delegates and we have grown for 2 primary reasons!

The first is that we are professional and we listen to our customers. Please visit our download area as an example of how we engage with our customer.

The second is not only the fact that our prices are far more cost effective than our competitors it is that our discount program leaves all the others way behind – please do not take our word for it [check it out!](#)

What Makes SAS Aviation Leadership and Management Skills Development – Leadership Skills – 1 Day Different?

Because our courses are written by people who have lived through the regulations. The author of the training material has more than 25 years' experience as an auditor across the entire regulatory spectrum.

At Sofema Aviation Services our focus is on accepting that compliance with Regulations is in fact minimum compliance. Interpreting the regulations in a way which enables the development and optimisation of our business is where we should see opportunity to drive efficiencies and cost saving.
