

Aviation Leadership and Management Skills Development- Developing Positive Interview Skills – ½ Day

Introduction

In today's employment world, it is more important than ever to have strong interviewing skills. Often we have a particular notion regarding what we believe we already know, which can hold us back if we are not careful.

Interviewing is a skill (which can be learnt and improved) and in which we interact with the interviewer with the aim of articulating our thoughts to seek to impress - but in a positive way.

Interviewing is one of the most critical tasks you will face in your job search. Decisions are often finalised during the interview which can either make or break you!

This course is designed to take you on the journey of achieving the best interview you can.

Who is the course for?

The training is suitable for every level in the organizational structure as its aim is to improve the overall performance and efficiency of processes

What is the Benefit of this Training – What will I learn?

- a) Preparation for Interviews
- b) Improved Interview Performance
- c) How to Deliver a Presentation at an Interview
- d) Considering the use of PowerPoint to support your Interview

Why Should I choose SAS for the training?

Sofema Aviation Services a Regulatory training and consulting company with 45 years commercial aviation experience and 10 years operational experience. Since we started we have provided certificates to approx 25,000 delegates and we have grown for 2 primary reasons!

The first is that we are professional and we listen to our customers. Please visit our download area as an example of how we engage with our customer.

The second is not only the fact that our prices are far more cost effective than our competitors it is that our discount program leaves all the others way behind - please do not take our word for it [check it out!](#)
