

UAE -GCAA CAR OPS 1- 2 Days

Introduction

The UAE General Civil Aviation Authority, known in these regulations as the "Authority" has implemented CAR-OPS 1 based on the European Joint Aviation Requirements (JAR), with a view to harmonizing legislation and to regulate commercial air transport and private operations of aeroplanes.

ICAO Annex 6 has been selected to provide the basic structure of CAR-OPS and for Air Operator Certification and Private Operator Authorization, but with additional sub-division where considered appropriate. The content of Annex 6 has been used and added to, where acceptable.

The Authority has adopted associated compliance or interpretative material wherever possible and, unless specifically stated otherwise, clarification will be based on this material or other JAR/EASA documentation.

The training outlines the overall regulatory framework of UAE GCAA and considers all roles and responsibilities related to the Organisation and Nominated Persons. Additionally the training is focused on the needs of the UAE Operational and CAMO Staff who are part of a Commercial Air Transport (CAT) Air Operators Certificate (AOC).

The training is suitable for all Operational staff including Ground / Flight Planning, Supervisory and Management Staff. Additionally, the course will be of benefit to Quality Audit Personnel.

Who is this course for?

Regulatory Authority Members, Flight Safety Department Managers and Inspectors with operational oversight responsibilities. Operations Accountable Managers and proposed Nominated Persons (NP) Flight OPS, Maintenance, Crew Training and Ground Ops, Compliance Monitoring Managers (Quality Managers) and Auditors, Safety Managers, Flight Safety Officers, Flight Operations Officers and Cabin Crew Management.

What is the Benefit of this Training – What will I learn?

- a) Ensure a detailed understanding of UAE GCAA CAR OPS1 Structure and Environment with emphasis on Compliance Monitoring and AMC & GM procedures.
- b) Understand the regulatory requirements to control and supervise a CAR OPS 1 Compliant Operator
- c) Understand the Roles and Responsibilities of a Nominated Person within a CAR OPS 1 Environment
- d) Be able to fully Engage with the Quality System (QMS) and Safety System (SMS) Process and Procedures in your Organisation
- e) Understand the requirements related to Quality & Safety organisational obligations including Safety Management, Quality Assurance (QA) & Quality Control (QC)
- f) Communicate and Motivate staff and effectively monitor their performance

Why Should I choose SAS for the training?

Sofema Aviation Services is a Regulatory Training and Consulting company with 45 years of commercial aviation experience and 10 years operational experience. Since the start we have provided certificates to approx 20,000 delegates and we have grown for 2 primary reasons!

The first is that we are professional and we listen to our customers.

The second reason is a combination of outstanding course fees, together with a world beating discount program which leaves our competitors way behind – please do not take our word for it, [check it out!](#)

What Makes UAE -GCAA CAR OPS 1– 2 Days Training Different?

Because our courses are written by people who have lived through the regulations. The author of the training material has more than 25 years' experience as an auditor across the entire regulatory spectrum.

At Sofema Aviation Services our focus is on accepting that compliance with Regulations is in fact minimum compliance. Interpreting the regulations in a way which enables the development and optimisation of our business is where we should see opportunity to drive efficiencies and cost saving.
