

Stores Incoming Inspection Initial – 3 Days

Introduction

The EASA 145 Stores Management and Inspection System is an essential element of the 145 approval. It must be managed and staffed by trained and competent staff.

This training is designed to cover all elements which are essential to the effective management and operation of a fully compliant store. This in depth 3-day training is designed to provide attendees with:

- A detailed practical understanding of the requirements to Manage and Develop an Aviation Store.
- To provide a regulatory and industry perspective for staff involved in Stores Management and Receipt Inspection.
- Develop the attendees understanding of airworthiness and Receipt Certification principles including: -Electrostatic Inspection.
- To Develop procedures for use in Stores and Goods Inspection.
- To review the problems associated with bogus parts.
- The trainee must demonstrate an understanding the subjects covered

The course meets the intent of IOSA (MNT 4.5.6 The Operator shall ensure each maintenance organisation that performs maintenance for the Operator has a training program that provides for initial and continuation training for receiving inspectors) and Part 145 Stores Inspection competency training.

Who is the course for?

It is for anyone with an interest who needs a detailed awareness of EASA Part 145 Stores Management & Inspection Procedures

The course will be of interest to New Entrants in Stores & Logistics wishing to achieve a deep understand the regulations applicable to an EASA Compliant Stores Environment.

The Course will also benefit Quality Audit Staff to raise a detailed awareness to support the audit process.

Why Should I Choose SAS for the training?

Sofema Aviation Services is a Regulatory Training and Consulting company with 45 years of commercial aviation experience and 12 years of operational experience. Since the start, we have provided certificates to approx 30,000 delegates and we have grown for 2 primary reasons!

The first is that we are professional and we listen to our customers.

The second reason is a combination of outstanding course fees, together with a world-beating discount program which leaves our competitors way behind – please do not take our word for it, [check it out!](#)
