

# Aviation Leadership and Management Skills Development

## Core Principles of Operational Excellence – 1/2 Day

### Introduction

Operational Excellence can be described as “A philosophy of the workplace where problem-solving, teamwork, and leadership results in the ongoing improvement in an organization.

Operational Excellence generates a need for Systematic Thinking whereby a system recognizes the importance of the interconnected elements within the complete business process.

The ability to understand the relationship between the various parts to be able to make the most effective decisions.

Essentially Operational Excellence looks at managing the Key Challenges by being able to expeditiously adapt to the changing market conditions which provide a significant challenge to our business.

### Who is the Course for?

## Why Should I choose SAS for the training?

Sofema Aviation Services is a Regulatory Training and Consulting company with 45 years of commercial aviation experience and 10 years of operational experience. Since the start, we have provided certificates to approx 30 000 delegates and we have grown for 2 primary reasons!

The first is that we are professional and we listen to our customers.

The second reason is a combination of outstanding course fees, together with a world beating discount program which leaves our competitors way behind – please do not take our word for it, [check it out!](#)

## What Makes Aviation Leadership and Management Skills Development Core Principles of Operational Excellence – ½ Day Different?

Because our courses are written by people who have lived through the regulations. The author of the training material has more than 25 years' experience as an auditor across the entire regulatory spectrum.

At Sofema Aviation Services our focus is on accepting that compliance with Regulations is in fact minimum compliance. Interpreting the regulations in a way which enables the development and optimisation of our business is where we should see opportunity to drive efficiencies and cost saving.
