

## EASA Part 147 & Part 66 Combined Regulatory Review and Recurrent Training Essentials – ½ day

### Introduction

Sofema presents an opportunity to achieve detailed review of the EASA Regulatory Training and Licencing Process related to EASA Part 147 & EASA Part 66

EASA Part-66 is the regulation governing a common European aircraft maintenance license recognized in all EASA member states. EASA Part-147 delivers the regulations governing a Maintenance Training Organisation responsible for either Basic or Type Training for Part 66 Engineers.

The Quality Management role in an EASA 147 organisation brings with it a number of unique challenges discussed during the training, In addition it is important that Post Holders have a solid understanding concerning the responsibilities to comply with all relevant regulations. Including all related Quality Control requirements.

The course is aimed specifically at stakeholders and other persons, who require a fundamental understanding of their obligations and responsibilities in respect of EASA Part 147. In addition the course will be suitable for Accountable Managers, Training Organisation Managers and persons wishing to expand their knowledge of Part 147 & Part 66.

It also focuses on the specific responsibilities of the Part 147 Form 4 holder. Sofema Aviation Services supports a practical understanding of the interpretation of all regulations to ensure that the Organization is able to comply in the most effective way.

### Who is the Course for?

It is for anyone with an interest to EASA Part 147 & Part 66 from newcomers to Post Holders (Training Managers) through to Accountable Executives who need a deeper understanding of Individual and Organisational Obligations.

The knowledge and competence developed through this course will support you to help your organisation demonstrate and maintain compliance.

Consider that understanding the regulation is the starting point – The real advantage is optimising the business in the best way whilst remaining fully compliant with EASA Part 147 requirements.
