SAS UNDERSTANDS AVIATION TRAINING

SOFEMA AVIATION SERVICES (SAS)

Sofema Aviation Services (SAS) launched in 2008 with the goal of becoming a leading provider of Regulatory and Vocational training across a broad spectrum of EASA regulations. Today we are pleased to advise that with more than 12 Instructors and the ability to offer regulatory training on 3 continents SAS is well positioned to support your EASA regulatory training needs.

OUR PEDIGREE IS COMMERCIAL AVIATION

Behind SAS we have over 45 years industry experience to call on, we are able to help you develop the most appropriate outcomes for your organization. We believe a primary business driver for success is customer respect and approval. Moreover we are committed to our valued clients to help them by producing, innovative tailored solutions.

SAS UNDERSTANDS AVIATION TRAINING

Today training needs to be considered in the context of the organization culture, the training has to fit into an environment where there is a culture of strong leadership and motivation by example.

CHOOSE SAS FOR REGULATORY AND VOCATIONAL TRAINING

We recognize the challenges associated with the training of adults. If we achieve the right balance and develop training which re enforce the correct behaviour our organisations will benefit and our systems will be perform better and more efficiently.
