

This Message is for EASA Part 145 Accountable Managers, EASA Part 145 Training Managers & EASA Part 145 Quality Managers

Dear Gentleman

My Name is Steve Bentley, I am CEO of Sofema Aviation Services (www.sassofia.com) & Sofema Online (www.Sofemaonline.com).

I have spent my entire career spanning more than 5 decades in commercial aviation.

One of the things I have learnt over the years and I hope you will agree is that by improving the level of employee competence throughout the organisation we are able to translate to bottom line improvements in efficiency and cost effectiveness of business process. (But Training Costs a lot of Money?)

- Well Yes & No In 2006 I was an author / Instructor of EASA Compliant Regulatory Training Material for a well-known aviation training organisation based in Hoofddorp Amsterdam.
- I was writing 2-day training courses which delegates had to pay over 1100 Euros to enroll (Please note that similar courses are available now at 10% of this cost with Sofemaonline.com)

But wait please only 2 mins of your time as it gets a whole lot better

- We have achieved a breakthrough (Call it economy of scale)
- This year we will enroll over 24,000 delegates in our courses this means we are covering our overhead and able to find unique ways of providing cost effective access to our regulatory training material.

We are now offering corporate clients unlimited access for 12 months at a cost which brings each student training day below 10 Euros!

Please See <https://sofemaonline.com/courses/corporate-freedom-pass>

What Does Corporate Freedom Pass Mean to an EASA Part 145 Organisation?

Have a look at the following courses and consider that with Corporate Freedom Pass (CFP) the cost can be discounted with courses typically costing 10% of the normal online prices shown below

With CFP 5 for example you can have 5 concurrent licenses each one providing a nominal 200 Training Days in 1 year – means 1000 Days of Online Training for your employees for only 550 Euros/ Month.

A sample of EASA Part 145 Relevant Courses are shown below – note we have over 250 courses packages & Diplomas all of which are accessible with CFP – see here for A to Z <https://sofemaonline.com/43-marketing/108-a-to-z>

- 1/ [EASA Part 145 Initial Training](#) (117.50 EUR)
