

# EASA Part 145 Safety Training (SMS) Bridging Course – 1 Day

## Introduction

This is the SMS element only of our newly developed course specifically designed to ensure the delegates cover in sufficient depth, every aspect related to the need to be able to demonstrate compliance with EASA GM2 145.A.30 (e) HF & SMS Training Requirements.

This course is intended as a bridging course for delegates who are able to satisfy the regulatory authority that they have completed the Human Factor Elements applicable to EASA Part 145 Staff.

Delegates are able to achieve an in-depth understanding regarding basic Aviation Safety Concepts, in particular, to ensure adequate focus on the importance of Safety Behaviour integrated into normal working practices.

The course provides an opportunity to ensure an in-depth familiarisation with all Organisational Safety System Elements and to be able to integrate this knowledge into key areas of CAMO Aviation Objectives.

## Who is the Course for?
