The Sofema Difference is Real!

We are so confident that we really stand out above the crowd that we offer free access to Quality Managers for audit purposes.

The SOL Team is ready to help you now please email team@sassofia.com

The SofemaOnline difference is real and if you have not already done so, please try SofemaOnline now! – [How to register](#)

Is Online Better?

We do not just ask us – Try asking the US Department of Education who found that between just classroom and online training.

“Solely learning online was proven slightly more effective than Solely learning in a classroom. In other words, if you only choose one delivery method students would learn more through just online training.”
