

EASA Part 147 Examiner & Invigilator Training Skills Development – 1 Day

Introduction

Examiners should demonstrate a clear understanding of the examination standard required by Part-66 and have a responsible attitude to the conduct of examinations such that the highest integrity is ensured. (GM 147.A.105(g)).

The PART-147 examiners are the only persons allowed to produce/select examination papers. They may nominate other persons to mark completed examinations.

Examiners should have a full understanding of all the requirements of PART-66 and PART-147.

Typical Duties of the Examiner include:

The selection of examination questions/papers to be sat, appropriate to the particular phase of the training course.

The invigilation of examinations, ensuring that the conditions for examination comply with Annex 111, appendix II (for basic training) or appendix 111, paragraph 3 (for type training).

The allocation of examination papers at the beginning of the examination and retrieve them on completion.

Marking of the examination papers using acceptable marking standards.

This one-day training course considers in detail the Roles and Responsibilities and Regulatory Obligations of Basic & Type Training Examiners Working in the Part-147 environment. It reviews in-depth the relevant EASA Part-66/147/ rules (including AMC/GMs) together with Best Practice Industry and MTOE Procedures.

This course is highly relevant for both existing and newly appointed (trainee) Practical Assessor. The Course is highly practical and focuses on the development of appropriate soft skills required to support and develop the role of Examiner.

Who is the course for?

It is for anyone with an interest to get deeper into EASA Part 147 Basic & Type Training Examiner Role. The knowledge and competence developed through this course will support you to help your organisation demonstrate and maintain compliance.
