

## SAS OTAR Blogs

No.	Name of the Blog	Hyperlink
1.	OTAR 145 Maintenance Organisation Approval & Approval of the Maintenance Organisation Exposition (MOE) Introduction	<a href="https://sassofia.com/blog/otar-145-maintenance-organisation-approval-approval-of-the-maintenance-organisation-exposition-moe-introduction/">https://sassofia.com/blog/otar-145-maintenance-organisation-approval-approval-of-the-maintenance-organisation-exposition-moe-introduction/</a>
2.	OTAR Part 145 Review of Roles & Responsibilities related to the Quality System QC & QA	<a href="https://sassofia.com/blog/otar-part-145-review-of-roles-responsibilities-related-to-the-quality-system-qc-qa/">https://sassofia.com/blog/otar-part-145-review-of-roles-responsibilities-related-to-the-quality-system-qc-qa/</a>
3.	Review of the Differences Between OTAR 145 and EASA Part 145	<a href="https://sassofia.com/blog/review-of-the-differences-between-otar-145-and-easa-part-145/">https://sassofia.com/blog/review-of-the-differences-between-otar-145-and-easa-part-145/</a>
4.	Overseas Territories Airworthiness Requirements (OTAR 145) Nominated Postholder Responsibilities Considerations	<a href="https://sassofia.com/blog/overseas-territories-airworthiness-requirements-otar-145-nominated-postholder-responsibilities-considerations/">https://sassofia.com/blog/overseas-territories-airworthiness-requirements-otar-145-nominated-postholder-responsibilities-considerations/</a>
5.	OTAR Considerations Related to Production Planning – Reference Overseas Territory Aviation Requirements OTAC 145-4 & OTAR Part 145.113	<a href="https://sassofia.com/blog/otar-considerations-related-to-production-planning-reference-overseas-territory-aviation-requirements-otac-145-4-otar-part-145-113/">https://sassofia.com/blog/otar-considerations-related-to-production-planning-reference-overseas-territory-aviation-requirements-otac-145-4-otar-part-145-113/</a>
6.	OTAR Considerations Related to Maintenance Records – Reference Overseas Territory Aviation Requirements OTAC 145-5 & OTAR Part 145.117	<a href="https://sassofia.com/blog/otar-considerations-related-to-maintenance-records-reference-overseas-territory-aviation-requirements-otac-145-5-otar-part-145-117/">https://sassofia.com/blog/otar-considerations-related-to-maintenance-records-reference-overseas-territory-aviation-requirements-otac-145-5-otar-part-145-117/</a>
7.	OTAR Continuing Airworthiness Audit Typical Problems Found During Inspection	<a href="https://sassofia.com/blog/otar-continuing-airworthiness-audit-typical-problems-found-during-inspection/">https://sassofia.com/blog/otar-continuing-airworthiness-audit-typical-problems-found-during-inspection/</a>
8.	OTAR Continuing Airworthiness Issues Related to the Oversight and Management of Western Aircraft in Russia and CIS Countries	<a href="https://sassofia.com/blog/otar-continuing-airworthiness-issues-related-to-the-oversight-and-management-of-western-aircraft-in-russia-and-cis-countries/">https://sassofia.com/blog/otar-continuing-airworthiness-issues-related-to-the-oversight-and-management-of-western-aircraft-in-russia-and-cis-countries/</a>
9.	OTAR Considerations Related to Aviation Maintenance Data – Reference Overseas Territory Aviation Requirements OTAC 145-3 & OTAR Part 145.111	<a href="https://sassofia.com/blog/otar-considerations-related-to-aviation-maintenance-data-reference-overseas-territory-aviation-requirements-otac-145-3-otar-part-145-111/">https://sassofia.com/blog/otar-considerations-related-to-aviation-maintenance-data-reference-overseas-territory-aviation-requirements-otac-145-3-otar-part-145-111/</a>
10.	OTAR Considerations Related to Equipment, Tools and Materials – Reference Overseas Territory Aviation Requirements OTAC 145-2 OTAR Part 145.109	<a href="https://sassofia.com/blog/otar-considerations-related-to-equipment-tools-and-materials-reference-overseas-territory-aviation-requirements-otac-145-2-otar-part-145-109/">https://sassofia.com/blog/otar-considerations-related-to-equipment-tools-and-materials-reference-overseas-territory-aviation-requirements-otac-145-2-otar-part-145-109/</a>
11.	OTAR Considerations Related to Aviation Maintenance Facilities Requirements	<a href="https://sassofia.com/blog/otar-considerations-related-to-aviation-maintenance-facilities-requirements/">https://sassofia.com/blog/otar-considerations-related-to-aviation-maintenance-facilities-requirements/</a>
12.	Overseas Territories Aviation Regulations (OTAR) Airworthiness Directive and Technical Records Considerations	<a href="https://sassofia.com/blog/overseas-territories-aviation-regulations-otar-airworthiness-directive-and-technical-records-considerations/">https://sassofia.com/blog/overseas-territories-aviation-regulations-otar-airworthiness-directive-and-technical-records-considerations/</a>
13.	Considering the Role of Overseas Territories Aviation Regulations (OTAR) Service Bulletins	<a href="https://sassofia.com/blog/considering-the-role-of-overseas-territories-aviation-regulations-otar-service-bulletins/">https://sassofia.com/blog/considering-the-role-of-overseas-territories-aviation-regulations-otar-service-bulletins/</a>
14.	Considering OTAR Issues related to the Management of Commercial Air Transport	<a href="https://sassofia.com/blog/considering-otar-issues-related-to-the-management-of-commercial-air-transport/">https://sassofia.com/blog/considering-otar-issues-related-to-the-management-of-commercial-air-transport/</a>

15.	Considerations related to Overseas Territory Aviation Requirements (OTAR) Quality Management Systems	<a href="https://sassofia.com/blog/considerations-related-to-oversees-territory-aviation-requirements-otar-quality-management-systems/">https://sassofia.com/blog/considerations-related-to-oversees-territory-aviation-requirements-otar-quality-management-systems/</a>
16.	Considerations Related to Maintenance Programmes – OTAR Part 39 Subpart C	<a href="https://sassofia.com/blog/considerations-related-to-maintenance-programmes-otar-part-39-subpart-c/">https://sassofia.com/blog/considerations-related-to-maintenance-programmes-otar-part-39-subpart-c/</a>
17.	Introduction to Overseas Territories Aviation Regulations OTAR	<a href="https://sassofia.com/blog/introduction-to-overseas-territories-aviation-regulations-otar/">https://sassofia.com/blog/introduction-to-overseas-territories-aviation-regulations-otar/</a>
18.	What Does the Overseas Territories Aviation Requirements Say Regarding Fabrication of Parts	<a href="https://sassofia.com/blog/what-does-the-overseas-territories-aviation-requirements-say-regarding-fabrication-of-parts/">https://sassofia.com/blog/what-does-the-overseas-territories-aviation-requirements-say-regarding-fabrication-of-parts/</a>
19.	What Does the Overseas Territories Aviation Requirements Say Regarding Scrapping and Disposal of Aeronautical Parts?	<a href="https://sassofia.com/blog/what-does-the-overseas-territories-aviation-requirements-say-regarding-scrapping-and-disposal-of-aeronautical-parts/">https://sassofia.com/blog/what-does-the-overseas-territories-aviation-requirements-say-regarding-scrapping-and-disposal-of-aeronautical-parts/</a>
20.	Considerations related to Mandatory Continued Airworthiness Requirements – Overseas Territories Aviation Requirements	<a href="https://sassofia.com/blog/considerations-related-to-mandatory-continued-airworthiness-requirements-overseas-territories-aviation-requirements/">https://sassofia.com/blog/considerations-related-to-mandatory-continued-airworthiness-requirements-overseas-territories-aviation-requirements/</a>
21.	Introduction to Overseas Territory Aviation Authority Safety Management Systems	<a href="https://sassofia.com/blog/introduction-to-overseas-territory-aviation-authority-safety-management-systems/">https://sassofia.com/blog/introduction-to-overseas-territory-aviation-authority-safety-management-systems/</a>
22.	OTAR Part 145 Review of Roles & Responsibilities related to the Quality System QC & QA	<a href="https://sofemaonline.com/blog/entry/otar-part-145-review-of-roles-responsibilities-related-to-the-quality-system-qc-qa">https://sofemaonline.com/blog/entry/otar-part-145-review-of-roles-responsibilities-related-to-the-quality-system-qc-qa</a>
