

(EC) Regulation 1178 Training For Civil Aviation Authority and Competent Authority Inspectors – 2 Days

Introduction

Commission Regulation (EU) No 1178/2011 of 3 November 2011 lays down technical requirements and administrative procedures related to civil aviation aircrew pursuant to Regulation (EC) No 216/2008 of the European Parliament and of the Council.

The provisions of the Regulation on Aircrew are published in several documents: Implementing Rules (published in the Official Journal of the European Union) and associated Acceptable Means of Compliance (AMC), Guidance Material (GM), and Certification Specifications (published on the Agency website). Aimed at the specific needs of Civil Aviation Authority (CAA) / Competent Authority (CA) The purpose of this three-day course on is to consider in detail the obligations affecting EASA Air Crew Regulation.

A review of EASA Basic Regulation 216/08 is provided together with a comprehensive introduction to the annexes contained in EU regulation 1178/11 and Amending Regulations for Air Crew.

The Courses Focus on the Obligations of the CAA / Regulatory Authority to ensure effective oversight of Aircrew Certification and Compliance. The Acceptable Means of Compliance (AMC) and Guidance Material (GM) to Part-FCL and Part-MED was adopted by the Agency and published on the Agency’s webpage in December 2011. (ED Decision 2011/016/R AMC and GM Part-FCL and ED Decision 2011/015/R AMC and GM Part-MED).

What is the Benefit of this Training – What will I learn?

- a) Familiarization with the requirements of the EC Regulation Aircrew (1178/2011)
