

# UAE - GCAA CAR OPS 1 Essentials – 1 Day

## Introduction

The UAE General Civil Aviation Authority, known in these regulations as the "Authority" has implemented CAR-OPS 1 based on the European Joint Aviation Requirements (JAR), with a view to harmonizing legislation and regulating commercial air transport and private operations of aeroplanes.

ICAO Annex 6 has been selected to provide the basic structure of CAR-OPS and for Air Operator Certification and Private Operator Authorization, but with additional sub-division where considered appropriate. The content of Annex 6 has been used and added to, where acceptable.

The Authority has adopted associated compliance or interpretative material wherever possible and, unless specifically stated otherwise, clarification will be based on this material or other JAR/EASA documentation.

The training outlines the overall regulatory framework of UAE GCAA and considers all roles and responsibilities related to the Organisation and Nominated Persons.
