

EASA Aircraft Technical Records Essentials - 1 Day

Introduction

Delivering an effective Technical Records Function within both Continuing Airworthiness Management Organisation (CAMO) and Aircraft Maintenance Organisation (AMO) can contribute to the effectiveness of the Continuing Airworthiness Records Management System. As well as avoid exposure to unnecessary loss.

Technical records are the hub of the CAMO group and it is usually the starting point for internal, external, and regulatory audits. It is essential for raising awareness of terms abbreviations and for building competence within the CAMO & EASA Part 145 technical departments leading to improved overall effectiveness within the technical records management process.

What is the Benefit of this Training – What will I learn?

- a) Understand the role of Technical Records within the CAMO group and 145 organization
- b) Understanding how an effective technical records system can protect asset value
- c) Understand the regulations which drive both Part M and Part 145 Technical Record Requirements
- d) Be able to explain the concept of Airworthiness and the need for Continuing Airworthiness Records
- e) Achieve awareness of both requirements and best practices related to the management of EASA Compliant Aircraft Technical Records
- f) Minimise the likelihood of error due to a lack of understanding
- g) Prepare for working in a technical records environment
- h) Understand the need for Self-Monitoring Procedures (SMP) and the role of Quality Control within the Technical Records Environment

Who is the Course for?

It is for persons who are involved in the technical records management of Commercial Aircraft Maintenance (CAMO), and Aircraft Maintenance Organisations (AMO) In particular persons with specific responsibility for the Records function. Technical Engineering, Maintenance Planning, CAMO Quality Auditors, as well as anyone with an interest to achieve an effective interface between the technical records function and other departments within the organization.
