

# Accountable Manager Regulatory Obligations EASA & GCAA Training - 1 Day

## Introduction

This is an intensive 1-day training for busy Industry leaders; the focus of the training is a comprehensive understanding of Roles and Responsibilities.

The course is aimed at persons who have specific obligations regarding the accountability for the organization to meet its obligations in respect of Safety, Quality, Regulatory Compliance, and Financial well-being. Including AOC, 145, and other Approved Organizations.

This in-depth course provides detailed practical training in management obligations and methodologies to ensure a fully compliant, effective, and efficient organization. The course is highly participative and promotes industry best practices as standard, it is delivered in a confidential environment by an industry professional with over 40 years of Commercial Aviation experience.

Aviation Authorities may choose to interview Form 4 candidates. All relevant areas are covered during the course.

A short review of both EASA and GCAA regulations will be provided during the introduction.

## Who is the course for?

The course is aimed at persons who have specific obligations regarding the accountability for the organization to meet its obligations in respect of Safety, Quality, Regulatory Compliance, and Financial well-being. Including AOC, 145, and other Approved Organizations.
