

# **EASA Part-145 – Overview & Recurrent Commission Regulation (EC) No 1321/2014 – 1 Day**

## Introduction

The Aim of the course are to give delegates a recurrent understanding of the maintenance organisations responsibilities contracted arrangements, and a thorough understanding of the organizational responsibilities associated with Part 145 compliance.

## Who is the course for?

The Sofema Aviation Services course "EASA Part-145 – Overview & Recurrent Commission Regulation (EC) No 1321/2014 – 1 Day" is designed for individuals and organizations operating within the aviation industry who need a comprehensive overview and recurrent training on EASA Part-145 regulations as specified in Commission Regulation (EC) No 1321/2014. It is particularly beneficial for maintenance managers, quality managers, auditors, and personnel involved in Part-145 maintenance organizations. By attending this course, participants will refresh their knowledge of the regulatory requirements, enhance compliance with EASA standards, and stay up-to-date with the latest industry practices and guidelines related to Part-145 maintenance organizations.
