

# EASA Part 21 Subpart J High – Level Review – 1 Day

## Introduction

Subpart J regulatory approval provides for the Design of Aircraft and Components Design Organisation Approval (DOA) and Subpart G provides for a Production Organization approval (POA).

The primary function of the DOA holder is to assume full responsibility for all designed products (Initial Airworthiness) including the need to support Continued Airworthiness of the designed product.

Whilst the role of the POA relates in part to the role of (Continued Airworthiness) the primary function of the organization is Initial Airworthiness in respect of managing the production of Products Parts and Appliances for use on aircraft, the process is regulated in accordance with the requirements of Part 21.

A company holding Part-21 Subpart J Design Organisation Approval (DOA), has the approval to Design and certify aircraft parts.

### Training Regulatory Compliance

EASA Part 21 shows compliance additionally with (EU) No 2015/1039 (01/07/2015) and (EU) 2016/5 (12/01/2016)

## What is the Benefit of this Training – What will I learn?

- a) This training is designed to cover all relevant areas, to understand the process by which the EASA manages Part 21 J
- b) To understand the organizational perspective regarding the requirements which must be met by an organization to achieve the implementation of a Part 21 Subpart J organization approval.
- c) In addition consider the various challenges which face an organization on an ongoing basis to maintain and manage full compliance.
- d) To consider how to ensure full compliance is maintained through the management of competence and the delivery of a strong Quality & Safety System.

## Target Groups

Nominated personnel and other key personnel in Part 21 Design & Production Organisations, Quality Managers/ Quality Auditors, and Airline CAMO Staff.  
Regulators and persons interested in obtaining a detailed understanding of the Design, Certification, and Production of Aircraft Parts.

## Pre-requisites

It is not necessary to have prior knowledge to participate in this training.

## What do People Say about Sofema Aviation Services Training?

*"I found satisfying answers to all my questions."*  
*"The instructor demonstrated a very deep knowledge of the subject."*  
*"The length of the course fits my needs and expectations."*  
*"The content was really effective, I gained a lot of new knowledge."*  
*"The practical examples were perfectly delivered."*

## Duration

1 day – Start at 09.00 and finish at 17.00, with appropriate refreshment breaks.
