

Logistics & Stores Inspection Procedures EASA – Essentials – 1 Day

Introduction

Developing a detailed awareness regarding the most effective and efficient EASA-compliant Stores and Logistics processes in your organisation will benefit both the employee and the employer.

The EASA 145 Stores Management and Inspection System is an essential element of the 145 approval. It must be managed and staffed by trained and competent staff.

The course meets the intent of IOSA (MNT 4.5.6 The Operator shall ensure each maintenance organisation that performs maintenance for the Operator has a training programme that provides for initial and continuation training for receiving inspectors) and Part 145 Stores Inspection competency training.

Who is the course for?

It is for anyone with an interest who needs a detailed awareness of EASA Part 145 Stores Management & Inspection Procedures from newcomers to Post Holders.

The course will be of interest to New Entrants in Stores & Logistics wishing to understand the regulations.

The Course will also benefit Quality Audit Staff to raise a detailed awareness to support the audit process.
