

Part 21 POA AM & NP Regulatory & Quality & Safety Obligations - 2 Days

Introduction

Intensive 2-day training for busy Industry leaders; the focus of the training is a comprehensive understanding of Roles and Responsibilities of Accountable executives and Post Holders (Nominated Persons) within an EASA Part 21 G Production Organisation (POA)

The course is aimed at persons who have specific obligations regarding the accountability for the organization to meet its obligations in respect of Safety, Quality, Regulatory Compliance, and Financial well being

This in-depth course provides detailed practical training in management obligations and methodologies to ensure a fully compliant, effective, and efficient organization. The course is highly participative and promotes industry best practices as a standard, it is delivered in a confidential environment by an industry professional with over 45 years of Commercial Aviation experience.

Aviation Authorities may choose to interview Form 4 candidates. All relevant areas are covered during the course. A full review of EASA regulations will be provided during the introduction.

Who is the course for?

Regulatory Authority Members, Production Organisation Accountable Managers and proposed Nominated Persons (NP), Compliance Monitoring Managers (Quality Managers) and Auditors, and Safety Managers.
