

# EASA Nominated Post Holder Flight Operations and Crew Training – 1 Day

## Introduction

The role of the Nominated Post Holder / Post Holders for Flight Operations and Crew Training is a serious and demanding role and requires the acceptance of the regulatory authority which is normally achieved using the EASA Form 4 process.

The Form 4 process is intended to establish that the applicant has both appropriate background experience as well as the necessary competencies to support the role.

This course considers in detail the Role and Responsibilities of the Nominated Post Holder Role to both manage the organisations objectives as well as satisfy all regulatory requirements by ensuring the company's compliance with EASA regulations and to ensure that the company is following the required procedures.

The Post holder is also responsible for the management of Staff Competence and the effectiveness of the Safety Management System in all related business areas including any which are subcontracted.

Additionally, he (or she) is responsible for the ongoing development of Operations Procedures, and typically plays a major role in the event of the activation of Emergency Procedures. Additional responsibilities will extend to oversight of the general Safety and Security delivery of Standards.
