

## SAS SMS Blogs

No.	Name of the Blog	Hyperlink
1.	Aviation Safety Management System Audit Techniques	<a href="https://sassofia.com/blog/aviation-safety-management-system-audit-techniques/">https://sassofia.com/blog/aviation-safety-management-system-audit-techniques/</a>
2.	Considering the Primary Challenges Related to the Implementation of Safety Management Systems in an EASA Part 145 Organisation	<a href="https://sassofia.com/blog/considering-the-primary-challenges-related-to-the-implementation-of-safety-management-systems-in-an-easa-part-145-organisation/">https://sassofia.com/blog/considering-the-primary-challenges-related-to-the-implementation-of-safety-management-systems-in-an-easa-part-145-organisation/</a>
3.	Who Requires EASA Part CAMO Safety Management System (SMS) and Human Factors (HF) Training?	<a href="https://sassofia.com/blog/who-requires-easa-part-camo-safety-management-system-sms-and-human-factors-hf-training-3/">https://sassofia.com/blog/who-requires-easa-part-camo-safety-management-system-sms-and-human-factors-hf-training-3/</a>
4.	Building a CAMO Risk Register in an EASA Compliant Safety Management System	<a href="https://sassofia.com/blog/building-a-camo-risk-register-in-an-easa-compliant-safety-management-system/">https://sassofia.com/blog/building-a-camo-risk-register-in-an-easa-compliant-safety-management-system/</a>
5.	How does an Organisation Demonstrate Safety Management System “Continuous Improvement”	<a href="https://sassofia.com/news-press/how-does-an-organisation-demonstrate-safety-management-system-continuous-improvement/">https://sassofia.com/news-press/how-does-an-organisation-demonstrate-safety-management-system-continuous-improvement/</a>
6.	Boeing MEDA Supports EASA Part CAMO Safety Management Systems	<a href="https://sassofia.com/blog/boeing-meda-supports-easa-part-camo-safety-management-systems/">https://sassofia.com/blog/boeing-meda-supports-easa-part-camo-safety-management-systems/</a>
7.	How to Measure Performance within an EASA Part CAMO Safety Management System (SMS)	<a href="https://sassofia.com/blog/how-to-measure-performance-within-an-easa-part-camo-safety-management-system-sms/">https://sassofia.com/blog/how-to-measure-performance-within-an-easa-part-camo-safety-management-system-sms/</a>
8.	Developing Your Aviation Safety Management System Trainer	<a href="https://sassofia.com/blog/developing-your-aviation-safety-management-system-trainer/">https://sassofia.com/blog/developing-your-aviation-safety-management-system-trainer/</a>
9.	Safety Management System (SMS) Hazard Identification Methodologies Related to an EASA Part CAMO Organisation	<a href="https://sassofia.com/blog/safety-management-system-sms-hazard-identification-methodologies-related-to-an-easa-part-camo-organisation/">https://sassofia.com/blog/safety-management-system-sms-hazard-identification-methodologies-related-to-an-easa-part-camo-organisation/</a>
10.	Considerations related to the Implementation of Safety Management System within an EASA Part CAMO Organisation (Opinion 06/2016)	<a href="https://sassofia.com/news-press/considerations-related-to-the-implementation-of-safety-management-system-within-an-easa-part-camo-organisation-opinion-062016/">https://sassofia.com/news-press/considerations-related-to-the-implementation-of-safety-management-system-within-an-easa-part-camo-organisation-opinion-062016/</a>
11.	Safety Management System (SMS) Hazard Identification Within an EASA Part CAMO Organisation	<a href="https://sassofia.com/blog/safety-management-system-sms-hazard-identification-within-an-easa-part-camo-organisation/">https://sassofia.com/blog/safety-management-system-sms-hazard-identification-within-an-easa-part-camo-organisation/</a>
12.	When is a Safety Management System (SMS) Required to be Implemented within an EASA Part 145 Organisation?	<a href="https://sassofia.com/blog/when-is-a-safety-management-system-sms-required-to-be-implemented-within-an-easa-part-145-organisation/">https://sassofia.com/blog/when-is-a-safety-management-system-sms-required-to-be-implemented-within-an-easa-part-145-organisation/</a>
13.	Considering the Viewpoint of EASA related to the Viability of Safety Management Systems (SMS) within an Aviation Organisation	<a href="https://sassofia.com/blog/considering-the-viewpoint-of-easa-related-to-the-viability-of-safety-management-systems-sms-within-an-aviation-organisation/">https://sassofia.com/blog/considering-the-viewpoint-of-easa-related-to-the-viability-of-safety-management-systems-sms-within-an-aviation-organisation/</a>
14.	Changes introduced by COMMISSION IMPLEMENTING REGULATION (EU) 2019/1383 of 8 July 2019 amending and correcting Regulation (EU) No 1321/2014 as	<a href="https://sassofia.com/blog/changes-introduced-by-commission-implementing-regulation-eu-20191383-of-8-july-2019-amending-and-correcting-regulation-eu-no-1321-2014-as">https://sassofia.com/blog/changes-introduced-by-commission-implementing-regulation-eu-20191383-of-8-july-2019-amending-and-correcting-regulation-eu-no-1321-2014-as</a>

	regards to safety management systems in continuing airworthiness management organisations	<a href="#">13212014-as-regards-safety-management-systems-in-continuing-airworthi/</a>
15.	Quality Auditing of Aviation EASA – GCAA Safety Management Systems	<a href="https://sassofia.com/blog/quality-auditing-of-aviation-easa-gcaa-safety-management-systems/">https://sassofia.com/blog/quality-auditing-of-aviation-easa-gcaa-safety-management-systems/</a>
16.	Integrating Safety Management Systems and Quality Management Systems	<a href="https://sassofia.com/blog/integrating-safety-management-systems-and-quality-management-systems/">https://sassofia.com/blog/integrating-safety-management-systems-and-quality-management-systems/</a>
17.	Aviation Safety Management Systems Risk Assessment Considerations	<a href="https://sassofia.com/blog/aviation-safety-management-systems-risk-assessment-considerations/">https://sassofia.com/blog/aviation-safety-management-systems-risk-assessment-considerations/</a>
18.	Where are the challenges to an Effective Aviation Safety Management System?	<a href="https://sassofia.com/blog/where-are-the-challenges-to-an-effective-aviation-safety-management-system/">https://sassofia.com/blog/where-are-the-challenges-to-an-effective-aviation-safety-management-system/</a>
19.	Where is the Link Between Aviation Safety Management Systems (SMS), HF & MEMS	<a href="https://sassofia.com/blog/where-is-the-link-between-aviation-safety-management-systems-sms-hf-mems/">https://sassofia.com/blog/where-is-the-link-between-aviation-safety-management-systems-sms-hf-mems/</a>
20.	Sofema Aviation Services looks at what is involved in an Aerodrome Compliance Management (CM) & Safety Management System (SMS)	<a href="https://sassofia.com/blog/sofema-aviation-services-looks-at-what-is-involved-in-an-aerodrome-compliance-management-cm-safety-management-system-sms/">https://sassofia.com/blog/sofema-aviation-services-looks-at-what-is-involved-in-an-aerodrome-compliance-management-cm-safety-management-system-sms/</a>
21.	Safety Management System Implementation	<a href="https://sassofia.com/blog/aviation-safety-management-system-implementation-challenges/">https://sassofia.com/blog/aviation-safety-management-system-implementation-challenges/</a>
22.	Safety Related Benefits of Implementing Aviation Safety Management Systems (SMS)	<a href="https://sassofia.com/news-press/safety-related-benefits-of-implementing-aviation-safety-management-systems-sms/">https://sassofia.com/news-press/safety-related-benefits-of-implementing-aviation-safety-management-systems-sms/</a>
23.	What's in a Safety Management System? Sofema Aviation Services www.sassofia.com considers the background including roles and responsibilities.	<a href="https://sassofia.com/blog/whats-in-a-safety-management-system-sofema-aviation-services-www-sassofia-com-considers-the-background-including-roles-and-responsibilities/">https://sassofia.com/blog/whats-in-a-safety-management-system-sofema-aviation-services-www-sassofia-com-considers-the-background-including-roles-and-responsibilities/</a>
24.	Introduction to Overseas Territory Aviation Authority Safety Management Systems	<a href="https://sassofia.com/blog/introduction-to-overseas-territory-aviation-authority-safety-management-systems/">https://sassofia.com/blog/introduction-to-overseas-territory-aviation-authority-safety-management-systems/</a>
25.	The Aviation Executive Managers View and Relationship to the Safety Management Systems	<a href="https://sassofia.com/blog/the-aviation-executive-managers-view-and-relationship-to-the-safety-management-systems/">https://sassofia.com/blog/the-aviation-executive-managers-view-and-relationship-to-the-safety-management-systems/</a>
26.	Considering the Critical Issues Associated with Aviation Safety Management System Implementation	<a href="https://sassofia.com/blog/considering-the-critical-issues-associated-with-aviation-safety-management-system-implementation/">https://sassofia.com/blog/considering-the-critical-issues-associated-with-aviation-safety-management-system-implementation/</a>
27.	Integrating Maintenance Error Management System (MEMS) into your EASA Part 145 Organisation Safety Management System (SMS)	<a href="https://sassofia.com/blog/integrating-maintenance-error-management-system-mems-into-your-easa-part-145-organisation-safety-management-system-sms/">https://sassofia.com/blog/integrating-maintenance-error-management-system-mems-into-your-easa-part-145-organisation-safety-management-system-sms/</a>
28.	The Current Safety Management System (SMS) Status within an EASA Part 147 Organisation	<a href="https://sassofia.com/blog/the-current-safety-management-system-sms-status-within-an-easa-part-147-organisation/">https://sassofia.com/blog/the-current-safety-management-system-sms-status-within-an-easa-part-147-organisation/</a>
29.	Is Your Aviation Safety Management System (SMS) – Still Born! What are the indicators?	<a href="https://sassofia.com/blog/is-your-aviation-safety-management-system-sms-still-born-what-are-the-indicators/">https://sassofia.com/blog/is-your-aviation-safety-management-system-sms-still-born-what-are-the-indicators/</a>

30.	Do EASA Regulatory Authorities have what it takes to Audit Safety Management Systems (SMS) Performance Based Systems?	<a href="https://sassofia.com/blog/do-easa-regulatory-authorities-have-what-it-takes-to-audit-safety-management-systems-sms-performance-based-systems/">https://sassofia.com/blog/do-easa-regulatory-authorities-have-what-it-takes-to-audit-safety-management-systems-sms-performance-based-systems/</a>
31.	Is Weak Regulatory Oversight Spoiling Aviation Safety Management System (SMS) Effectiveness?	<a href="https://sassofia.com/blog/is-weak-regulatory-oversight-spoiling-aviation-safety-management-system-sms-effectiveness/">https://sassofia.com/blog/is-weak-regulatory-oversight-spoiling-aviation-safety-management-system-sms-effectiveness/</a>
32.	Integration of Maintenance Error Management into your Aviation Safety Management System	<a href="https://sassofia.com/blog/integration-of-maintenance-error-management-into-your-aviation-safety-management-system/">https://sassofia.com/blog/integration-of-maintenance-error-management-into-your-aviation-safety-management-system/</a>
33.	Sofema Aviation Services – Teaching and Facilitating Integrated Safety Management Systems	<a href="https://sassofia.com/blog/sofema-aviation-services-teaching-and-facilitating-integrated-safety-management-systems/">https://sassofia.com/blog/sofema-aviation-services-teaching-and-facilitating-integrated-safety-management-systems/</a>
34.	Aviation Safety Management Systems – The Challenge of Delivering Effective Practical Investigations	<a href="https://sassofia.com/blog/aviation-safety-management-systems-the-challenge-of-delivering-effective-practical-investigations/">https://sassofia.com/blog/aviation-safety-management-systems-the-challenge-of-delivering-effective-practical-investigations/</a>
35.	What do you know about an Aerodrome Safety Management System?	<a href="https://sassofia.com/blog/what-do-you-know-about-an-aerodrome-safety-management-system/">https://sassofia.com/blog/what-do-you-know-about-an-aerodrome-safety-management-system/</a>
36.	What is involved in an Airport Safety Management System?	<a href="https://sassofia.com/blog/what-is-involved-in-an-airport-safety-management-system/">https://sassofia.com/blog/what-is-involved-in-an-airport-safety-management-system/</a>
37.	Why are so many Aviation Safety Management Systems stillborn? Where are the Indicators?	<a href="https://sassofia.com/blog/why-are-so-many-aviation-safety-management-systems-stillborn-where-are-the-indicators/">https://sassofia.com/blog/why-are-so-many-aviation-safety-management-systems-stillborn-where-are-the-indicators/</a>
38.	Developing Airport Safety Management Systems – Rising to the Challenge	<a href="https://sassofia.com/blog/developing-airport-safety-management-systems-rising-to-the-challenge/">https://sassofia.com/blog/developing-airport-safety-management-systems-rising-to-the-challenge/</a>
39.	Aviation Safety Management System (SMS) Cultural Survey	<a href="https://sassofia.com/news-press/aviation-safety-management-system-sms-cultural-survey/">https://sassofia.com/news-press/aviation-safety-management-system-sms-cultural-survey/</a>
40.	Where are the biggest challenges to the successful implementation of the Aviation Safety Management System?	<a href="https://sassofia.com/blog/biggest-challenges-successful-implementation-aviation-safety-management-system/">https://sassofia.com/blog/biggest-challenges-successful-implementation-aviation-safety-management-system/</a>
41.	Rising to the Challenge of Safety Management System Hazard Identification and Risk Assessment	<a href="https://sassofia.com/blog/rising-challenge-safety-management-system-hazard-identification-risk-assessment/">https://sassofia.com/blog/rising-challenge-safety-management-system-hazard-identification-risk-assessment/</a>
42.	Aviation Safety Management System – further investigation process derived from the event time line	<a href="https://sassofia.com/blog/aviation-safety-management-system-further-investigation-process-derived-from-the-event-time-line/">https://sassofia.com/blog/aviation-safety-management-system-further-investigation-process-derived-from-the-event-time-line/</a>
43.	Aviation Safety Management System Considerations Business Area Owner Responsibilities and a Project Based Response	<a href="https://sassofia.com/blog/aviation-safety-management-system-considerations-business-area-owner-responsibilities-and-a-project-based-response/">https://sassofia.com/blog/aviation-safety-management-system-considerations-business-area-owner-responsibilities-and-a-project-based-response/</a>
44.	The Marketing Challenge – bringing people on board our Aviation Safety Management System (SMS)	<a href="https://sassofia.com/blog/the-marketing-challenge-bringing-people-on-board-our-aviation-safety-management-system-sms/">https://sassofia.com/blog/the-marketing-challenge-bringing-people-on-board-our-aviation-safety-management-system-sms/</a>
45.	The link between Safety Management Systems SMS and Human Factors HF	<a href="https://sassofia.com/blog/the-link-between-safety-management-systems-sms-and-human-factors/">https://sassofia.com/blog/the-link-between-safety-management-systems-sms-and-human-factors/</a>

46.	What Safety Management System Training do I require for my organization?	<a href="https://sassofia.com/blog/what-safety-management-system-training-do-i-require-for-my-organization/">https://sassofia.com/blog/what-safety-management-system-training-do-i-require-for-my-organization/</a>
47.	Aviation Safety Management System SMS – Update 2014	<a href="https://sassofia.com/blog/aviation-safety-management-system-update-2014/">https://sassofia.com/blog/aviation-safety-management-system-update-2014/</a>
48.	Where to gather data in a Proactive Safety Management System	<a href="https://sassofia.com/uncategorized/gather-data-proactive-safety-management-system/">https://sassofia.com/uncategorized/gather-data-proactive-safety-management-system/</a>
49.	The challenge of moving the Safety Management System SMS to provide more than regulatory compliance	<a href="https://sassofia.com/blog/the-challenge-of-moving-the-safety-management-system-sms-to-provide-more-than-regulatory-compliance/">https://sassofia.com/blog/the-challenge-of-moving-the-safety-management-system-sms-to-provide-more-than-regulatory-compliance/</a>
50.	Introduction to Safety Management Systems and what it means for “US” as employees and managers of an Airline or Maintenance Organisation	<a href="https://sassofia.com/blog/introduction-safety-management-systems-means-us-employees-managers-airline-maintenance-organisation/">https://sassofia.com/blog/introduction-safety-management-systems-means-us-employees-managers-airline-maintenance-organisation/</a>
51.	The Risk Management Process in a Safety Management System	<a href="https://sassofia.com/blog/the-risk-management-process-in-a-safety-management-system/">https://sassofia.com/blog/the-risk-management-process-in-a-safety-management-system/</a>
52.	Safety Management System Implementation	<a href="https://sassofia.com/news-press/safety-management-system-implementation-2/">https://sassofia.com/news-press/safety-management-system-implementation-2/</a>
53.	Safety Management Systems (SMS) Fundamentals	<a href="https://sassofia.com/blog/safety-management-systems-sms-fundamentals/">https://sassofia.com/blog/safety-management-systems-sms-fundamentals/</a>
54.	The Management System Requirements of Regulation 965/2012	<a href="https://sassofia.com/blog/the-management-system-requirements-of-regulation-9652012/">https://sassofia.com/blog/the-management-system-requirements-of-regulation-9652012/</a>
55.	EASA Aerodrome SMS Recognition and Ongoing Management of Threats	<a href="https://sassofia.com/blog/easa-aerodrome-sms-recognition-and-ongoing-management-of-threats/">https://sassofia.com/blog/easa-aerodrome-sms-recognition-and-ongoing-management-of-threats/</a>
56.	Considerations related to Overseas Territory Aviation Requirements (OTAR) Quality Management Systems	<a href="https://sassofia.com/blog/considerations-related-to-oversees-territory-aviation-requirements-otar-quality-management-systems/">https://sassofia.com/blog/considerations-related-to-oversees-territory-aviation-requirements-otar-quality-management-systems/</a>
57.	Aviation Maintenance Safety Management Embracing MEMS for Improved Analysis	<a href="https://sassofia.com/blog/aviation-maintenance-safety-management-embracing-mems-for-improved-analysis/">https://sassofia.com/blog/aviation-maintenance-safety-management-embracing-mems-for-improved-analysis/</a>
58.	How Effective has been the Implementation of Aviation Safety Management in the Operations Environment with an EASA Environment	<a href="https://sassofia.com/blog/how-effective-has-been-the-implementation-of-aviation-safety-management-in-the-operations-environment-with-an-easa-environment/">https://sassofia.com/blog/how-effective-has-been-the-implementation-of-aviation-safety-management-in-the-operations-environment-with-an-easa-environment/</a>
59.	Techniques for Advanced Safety Auditing – DATA Driven	<a href="https://sassofia.com/blog/techniques-for-advanced-safety-auditing-data-driven/">https://sassofia.com/blog/techniques-for-advanced-safety-auditing-data-driven/</a>
60.	Implementing SMS into Part-M (Annex Vc) Part-CAMO Continuing Airworthiness Management of Aircraft	<a href="https://sassofia.com/blog/implementing-sms-into-part-m-annex-vc-part-camo-continuing-airworthiness-management-of-aircraft/">https://sassofia.com/blog/implementing-sms-into-part-m-annex-vc-part-camo-continuing-airworthiness-management-of-aircraft/</a>
61.	EASA Part CAMO Safety Risk Management Overview	<a href="https://sassofia.com/blog/easa-part-camo-safety-risk-management-overview/">https://sassofia.com/blog/easa-part-camo-safety-risk-management-overview/</a>
62.	Performing a Safety Audit within an EASA Part CAMO Compliant Environment	<a href="https://sassofia.com/blog/performing-a-safety-audit-within-an-easa-part-camo-compliant-environment/">https://sassofia.com/blog/performing-a-safety-audit-within-an-easa-part-camo-compliant-environment/</a>
63.	Aviation Fatigue Risk Management Systems (FRMS) bring an additional Challenge to the SMS “Table”	<a href="https://sassofia.com/blog/aviation-fatigue-risk-management-systems-frms-bring-an-additional-challenge-to-the-sms-table/">https://sassofia.com/blog/aviation-fatigue-risk-management-systems-frms-bring-an-additional-challenge-to-the-sms-table/</a>
64.	Why do we have Quality and Safety systems within our Organisations?	<a href="https://sassofia.com/blog/why-do-we-have-quality-and-safety-systems-within-our-organisations/">https://sassofia.com/blog/why-do-we-have-quality-and-safety-systems-within-our-organisations/</a>

65.	Aviation Safety System Performance Indicators	<a href="https://sassofia.com/blog/aviation-safety-system-performance-indicators/">https://sassofia.com/blog/aviation-safety-system-performance-indicators/</a>
66.	What is the difference between Aviation Quality & Safety?	<a href="https://sassofia.com/blog/what-is-the-difference-between-aviation-quality-safety/">https://sassofia.com/blog/what-is-the-difference-between-aviation-quality-safety/</a>
67.	Delivering an Effective State Safety Program SSP	<a href="https://sassofia.com/blog/delivering-an-effective-state-safety-program-ssp/">https://sassofia.com/blog/delivering-an-effective-state-safety-program-ssp/</a>
68.	The five challenges facing an organization to implement an effective SMS system	<a href="https://sassofia.com/blog/the-five-challenges-facing-an-organization-to-implement-an-effective-sms-system/">https://sassofia.com/blog/the-five-challenges-facing-an-organization-to-implement-an-effective-sms-system/</a>
69.	The Need to Manage Culture, Training and Competencies in an SMS system	<a href="https://sassofia.com/blog/the-need-to-manage-culture-training-and-competencies-in-an-sms-system/">https://sassofia.com/blog/the-need-to-manage-culture-training-and-competencies-in-an-sms-system/</a>
70.	Implementation of Aviation Safety Management in an Operations Environment	<a href="https://sassofia.com/blog/implementation-of-aviation-safety-management-in-an-operations-environment/">https://sassofia.com/blog/implementation-of-aviation-safety-management-in-an-operations-environment/</a>
71.	Implementing Safety Management – SMS in Small to Medium Companies	<a href="https://sassofia.com/blog/implementing-safety-management-sms-small-medium-companies/">https://sassofia.com/blog/implementing-safety-management-sms-small-medium-companies/</a>
72.	OPINION NO 03/2011 OF THE EUROPEAN AVIATION SAFETY AGENCY of 19 April 2011	<a href="https://sassofia.com/blog/opinion-032011-european-aviation-safety-agency-19-april-2011/">https://sassofia.com/blog/opinion-032011-european-aviation-safety-agency-19-april-2011/</a>
73.	Integrating Quality and Safety in an Aviation Environment	<a href="https://sassofia.com/news-press/integrating-quality-and-safety-in-an-aviation-environment-2/">https://sassofia.com/news-press/integrating-quality-and-safety-in-an-aviation-environment-2/</a>
74.	Implementation of Aviation Safety Management in an Operations Environment	<a href="https://sassofia.com/blog/implementation-aviation-safety-management-operations-environment/">https://sassofia.com/blog/implementation-aviation-safety-management-operations-environment/</a>
75.	Aviation SMS & Snake Oil Salesmen	<a href="https://sassofia.com/blog/aviation-sms-snake-oil-salesmen/">https://sassofia.com/blog/aviation-sms-snake-oil-salesmen/</a>
76.	Considerations Related to the Implementation of Safety Management Systems (SMS) within an EASA Part 145 Organisation	<a href="https://sassofia.com/blog/considerations-related-to-the-implementation-of-safety-management-systems-sms-within-an-easa-part-145-organisation/">https://sassofia.com/blog/considerations-related-to-the-implementation-of-safety-management-systems-sms-within-an-easa-part-145-organisation/</a>
77.	The Role of Audit Checklists in Support of Aviation SMS Performance Audits	<a href="https://sassofia.com/blog/the-role-of-audit-checklists-in-support-of-aviation-sms-performance-audits/">https://sassofia.com/blog/the-role-of-audit-checklists-in-support-of-aviation-sms-performance-audits/</a>
78.	Considering the Role of Assessment, Audit & Inspection within the Safety Management System (SMS) Environment	<a href="https://sassofia.com/blog/considering-the-role-of-assessment-audit-inspection-within-the-safety-management-system-sms-environment/">https://sassofia.com/blog/considering-the-role-of-assessment-audit-inspection-within-the-safety-management-system-sms-environment/</a>
79.	EASA Part 145 SMS Training Objectives & Requirements	<a href="https://sassofia.com/blog/easa-part-145-sms-training-objectives-requirements/">https://sassofia.com/blog/easa-part-145-sms-training-objectives-requirements/</a>
80.	Is MEDA a relevant process for PART CAMO SMS?	<a href="https://sassofia.com/blog/is-meda-a-relevant-process-for-part-camo-sms/">https://sassofia.com/blog/is-meda-a-relevant-process-for-part-camo-sms/</a>
81.	EASA Part CAMO Safety Management System Manual (SMSM) Word Template FOC	<a href="https://sassofia.com/news-press/easa-part-camo-safety-management-system-manual-smsm-word-template-foc/">https://sassofia.com/news-press/easa-part-camo-safety-management-system-manual-smsm-word-template-foc/</a>
82.	International Civil Aviation Organization (ICAO) Safety Management System (SMS) Recommended Practices Considerations Related to Emergency Response Planning (ERP)	<a href="https://sassofia.com/blog/international-civil-aviation-organization-icao-safety-management-system-sms-recommended-practices-considerations-related-to-emergency-response-planning-erp/">https://sassofia.com/blog/international-civil-aviation-organization-icao-safety-management-system-sms-recommended-practices-considerations-related-to-emergency-response-planning-erp/</a>
83.	Considering the Challenges to Introduce an SMS within an EASA Part CAMO Compliant Organisation	<a href="https://sassofia.com/news-press/considering-the-challenges-to-introduce-an-sms-within-an-easa-part-camo-compliant-organisation/">https://sassofia.com/news-press/considering-the-challenges-to-introduce-an-sms-within-an-easa-part-camo-compliant-organisation/</a>

84.	Considering Non-Punitive Disciplinary Policies in an EASA Part 145 SMS	<a href="https://sassofia.com/blog/considering-non-punitive-disciplinary-policies-in-an-easa-part-145-sms/">https://sassofia.com/blog/considering-non-punitive-disciplinary-policies-in-an-easa-part-145-sms/</a>
85.	Typical SMS Performance Indicators Within a Part CAMO Organisation	<a href="https://sassofia.com/blog/typical-sms-performance-indicators-within-a-part-camo-organisation/">https://sassofia.com/blog/typical-sms-performance-indicators-within-a-part-camo-organisation/</a>
86.	Managing Part CAMO SMS Related Competencies	<a href="https://sassofia.com/blog/managing-part-camo-sms-related-competencies/">https://sassofia.com/blog/managing-part-camo-sms-related-competencies/</a>
87.	EASA Part CAMO HF & SMS – Considering The Role of Violations in our Aviation System	<a href="https://sassofia.com/blog/easa-part-camo-hf-sms-considering-the-role-of-violations-in-our-aviation-system/">https://sassofia.com/blog/easa-part-camo-hf-sms-considering-the-role-of-violations-in-our-aviation-system/</a>

Considerations related to Aviation SMS Effective Safety Reporting Principles	<a href="https://sofemaonline.com/blog/entry/considerations-related-to-aviation-sms-effective-safety-reporting-principles">https://sofemaonline.com/blog/entry/considerations-related-to-aviation-sms-effective-safety-reporting-principles</a>
176.	EASA Aviation SMS Reporting Mechanisms	<a href="https://sofemaonline.com/blog/entry/easa-aviation-sms-reporting-mechanisms">https://sofemaonline.com/blog/entry/easa-aviation-sms-reporting-mechanisms</a>
177.	Considering the Developments of Aviation Safety Management Systems (SMS)	<a href="https://sofemaonline.com/blog/entry/considering-the-developments-of-aviation-safety-management-systems-sms">https://sofemaonline.com/blog/entry/considering-the-developments-of-aviation-safety-management-systems-sms</a>
178.	Considering Aviation Safety System Performance Indicators	<a href="https://sofemaonline.com/blog/entry/considering-aviation-safety-system-performance-indicators">https://sofemaonline.com/blog/entry/considering-aviation-safety-system-performance-indicators</a>
179.	Considering the Root Cause Differences between QMS & SMS	<a href="https://sofemaonline.com/blog/entry/considering-the-root-cause-differences-between-qms-sms">https://sofemaonline.com/blog/entry/considering-the-root-cause-differences-between-qms-sms</a>
180.	SMS and EASA Part 145	<a href="https://sofemaonline.com/blog/entry/sms-and-easa-part-145">https://sofemaonline.com/blog/entry/sms-and-easa-part-145</a>
181.	What is an Effective EASA Compliant Safety Management System (SMS)?	<a href="https://sofemaonline.com/blog/entry/what-is-an-effective-easa-compliant-safety-management-system-sms">https://sofemaonline.com/blog/entry/what-is-an-effective-easa-compliant-safety-management-system-sms</a>
182.	Safety Related Benefits of Implementing Aviation Safety Management Systems (SMS)	<a href="https://sofemaonline.com/blog/entry/safety-related-benefits-of-implementing-aviation-safety-management-systems-sms">https://sofemaonline.com/blog/entry/safety-related-benefits-of-implementing-aviation-safety-management-systems-sms</a>
183.	Why Our Aviation Industry SMS Faces Continued Challenges	<a href="https://sofemaonline.com/blog/entry/why-our-aviation-industry-sms-faces-continued-challenges">https://sofemaonline.com/blog/entry/why-our-aviation-industry-sms-faces-continued-challenges</a>

184.	The Aviation Executive Managers View and Relationship to the Safety Management Systems	<a href="https://sofemaonline.com/blog/entry/the-aviation-executive-managers-view-and-relationship-to-the-safety-management-systems">https://sofemaonline.com/blog/entry/the-aviation-executive-managers-view-and-relationship-to-the-safety-management-systems</a>
185.	Safety Management Systems in Aviation – Root Cause Considerations	<a href="https://sofemaonline.com/blog/entry/safety-management-systems-in-aviation-root-cause-considerations">https://sofemaonline.com/blog/entry/safety-management-systems-in-aviation-root-cause-considerations</a>
186.	Introduction – The need for Aviation Safety Management Systems	<a href="https://sofemaonline.com/blog/entry/introduction-the-need-for-aviation-safety-management-systems">https://sofemaonline.com/blog/entry/introduction-the-need-for-aviation-safety-management-systems</a>
187.	Developing an Acceptable Level of Competence in our Aviation Safety Management System	<a href="https://sofemaonline.com/blog/entry/developing-an-acceptable-level-of-competence-in-our-aviation-safety-management-system-1">https://sofemaonline.com/blog/entry/developing-an-acceptable-level-of-competence-in-our-aviation-safety-management-system-1</a>
188.	Aviation QMS & SMS Relationship Challenges and Misconceptions	<a href="https://sofemaonline.com/blog/entry/aviation-qms-sms-relationship-challenges-and-misconceptions">https://sofemaonline.com/blog/entry/aviation-qms-sms-relationship-challenges-and-misconceptions</a>
189.	Aviation Safety Management Systems SMS – Time for a Reality Check	<a href="https://sofemaonline.com/blog/entry/aviation-safety-management-systems-sms-time-for-a-reality-check">https://sofemaonline.com/blog/entry/aviation-safety-management-systems-sms-time-for-a-reality-check</a>
190.	Effective Implementation of Your Aviation Safety Management	<a href="https://sofemaonline.com/blog/entry/effective-implementation-of-your-aviation-safety-management-1">https://sofemaonline.com/blog/entry/effective-implementation-of-your-aviation-safety-management-1</a>
191.	Integrating MEMS into a Safety Management System	<a href="https://sofemaonline.com/blog/entry/integrating-mems-into-a-safety-management-system">https://sofemaonline.com/blog/entry/integrating-mems-into-a-safety-management-system</a>
192.	What will our Aviation Safety Management System (SMS) do for us?	<a href="https://sofemaonline.com/blog/entry/what-will-our-aviation-safety-management-system-sms-do-for-us">https://sofemaonline.com/blog/entry/what-will-our-aviation-safety-management-system-sms-do-for-us</a>
193.	Review of Management and Oversight issues related to Aviation Safety Management System (SMS) Training	<a href="https://sofemaonline.com/blog/entry/review-of-management-and-oversight-issues-related-to-aviation-safety-management-system-sms-training">https://sofemaonline.com/blog/entry/review-of-management-and-oversight-issues-related-to-aviation-safety-management-system-sms-training</a>
194.	Regulatory, Industry and Business Drivers influencing our SMS	<a href="https://sofemaonline.com/blog/entry/regulatory-industry-and-business-drivers-influencing-our-sms">https://sofemaonline.com/blog/entry/regulatory-industry-and-business-drivers-influencing-our-sms</a>
195.	Aviation SMS - How to Implement, Develop and Optimise our Internal Reporting Mechanisms	<a href="https://sofemaonline.com/blog/entry/aviation-sms-how-to-implement-develop-and-optimise-our-internal-reporting-mechanisms">https://sofemaonline.com/blog/entry/aviation-sms-how-to-implement-develop-and-optimise-our-internal-reporting-mechanisms</a>
196.	Aviation SMS - The Aims and Benefits of Information Collection	<a href="https://sofemaonline.com/blog/entry/aviation-sms-the-aims-and-benefits-of-information-collection">https://sofemaonline.com/blog/entry/aviation-sms-the-aims-and-benefits-of-information-collection</a>
197.	Developing a Consistent Approach to our Aviation SMS	<a href="https://sofemaonline.com/blog/entry/developing-a-consistent-approach-to-our-aviation-sms">https://sofemaonline.com/blog/entry/developing-a-consistent-approach-to-our-aviation-sms</a>
198.	SMS Developments and the Management of Change	<a href="https://sofemaonline.com/blog/entry/sms-developments-and-the-management-of-change">https://sofemaonline.com/blog/entry/sms-developments-and-the-management-of-change</a>
199.	EASA has issued Regulatory Requirements Concerning Safety Management Systems (SMS) within an EASA Part 145 Organisation	<a href="https://sassofia.com/blog/easa-has-issued-regulatory-requirements-concerning-safety-management-systems-sms-within-an-easa-part-145-organisation/">https://sassofia.com/blog/easa-has-issued-regulatory-requirements-concerning-safety-management-systems-sms-within-an-easa-part-145-organisation/</a>
200.	Considering the Role of Assessment, Audit & Inspection within the Safety Management System (SMS) Environment	<a href="https://sassofia.com/blog/considering-the-role-of-assessment-audit-inspection-within-the-safety-management-system-sms-environment/">https://sassofia.com/blog/considering-the-role-of-assessment-audit-inspection-within-the-safety-management-system-sms-environment/</a>
201.	Aviation Safety Management System Benchmarking	<a href="https://sassofia.com/news-press/aviation-safety-management-system-benchmarking/">https://sassofia.com/news-press/aviation-safety-management-system-benchmarking/</a>
202.	Understanding the Role of Safety Performance Monitoring Within an SMS	<a href="https://sassofia.com/blog/understanding-the-role-of-safety-performance-monitoring-within-an-sms/">https://sassofia.com/blog/understanding-the-role-of-safety-performance-monitoring-within-an-sms/</a>

203.	How Does Quality Assurance Audit an EASA Compliant Safety Management System (SMS)?	<a href="https://sofemaonline.com/blog/entry/how-does-quality-assurance-audit-an-easa-compliant-safety-management-system-sms">https://sofemaonline.com/blog/entry/how-does-quality-assurance-audit-an-easa-compliant-safety-management-system-sms</a>
