GULF HELICOPTERS

CEO/L/057/2018
22nd July 2018

To Whomsoever It May Concern

Sofema Aviation Services (SAS) has delivered in Gulf Helicopters' Training Academy various regulatory training courses for our post-holders and other staff.

Gulf Helicopters is pleased with SAS as a professional training provider and we are happy to recommend Sofema to any organisation for aviation training courses.

Below courses were conducted during the period of 1st July to 10th July 2018 at our premises:

1. Accountable Manager and Post Holder (Nominated Persons) Regulatory Obligations combined OPS, ATO & Maintenance – Essentials.
2. CAMO Post Holder (Nominated Persons) Regulatory Obligations.
3. EASA Part M Essentials.
4. EASA Part 145 Essentials.
5. EASA Compliant Aviation Quality Assurance & Root Cause Assessment NAA Senior & Lead Auditor Review Course.
6. Safety Management Systems Risk Monitoring and Safety Performance Overview and Recurrent.
7. EC Regulation 965/2012 – Essentials.
8. Fatigue Risk Management Systems Regulatory Obligations.

Best regards,

Mohamed Al Hilal
Actg. Chief Executive Officer

TO WHOM IT MAY CONCERN

We are pleased to confirm that SOFEMA AVIATION SERVICES provided to TAROM in the past years various training courses at TAROM premises in Otopeni/Romania or at SOFEMA AVIATION SERVICES premises in Sofia/Bulgaria.

Such trainings include:

- Continuous Airworthiness Management for Airworthiness Review Staff (Large Aircraft)
- Human Factors in Aviation Maintenance – Train the Trainer
- EASA OPS - COMMISSION REGULATION (EU) No 965/2012 of 5 October 2012 laying down technical requirements and administrative procedures related to air operations pursuant to Regulation (EC) No 216/2008 of the European Parliament and of the Council.

All the delegates attending the courses are all very satisfied of the excellent quality and presentation of the material, having very good reviews and feedback about the trainings. Special attention is paid by SOFEMA AVIATION SERVICES on client's expectation for a particular course, as the presentation is always effective and focused on the client's needs.

We are very pleased to recommend SOFEMA AVIATION SERVICES to any organization requiring aviation training.

Special thanks to Steve BENTLEY, whose vast knowledge and experience contributed to the success of the courses.

Sincerely,

Florin NECULA
Technical Director

Subject: Letter of Recommendation for Sofema Aviation Services (SAS)

To whom it may concern,

MJets team members have undertaken several training courses from Sofema Aviation Services (SAS) in the past year. Such training has included both public scheduled and customized private courses to include:

- EASA Part M
- EASA Part 145
- SMS Essentials
- SMS Hazard Identification & Risk Management Strategies
- Logistics & Stores Inspection Procedures
- Airworthiness Maintenance Planning
- Maintenance Production Planning
- Airworthiness Reliability Systems
- Quality Auditing – Reporting & Root Cause Analysis
- Developing an EASA Compliant Flight Data Monitoring Program
- Aviation Maintenance Instructor – Developing Effective Techniques

In every course, SAS has provided relevant and effective training beneficial to continuous improvement efforts and done so in a professional manner.

For these reasons, MJets highly recommends training services from Sofema Aviation Services (SAS) as we will continue to do so ourselves.

Sincerely,

Harold Stoddard
