

Aviation Security (AVSEC) Training for Passenger and Baggage Reconciliation (BRS) – 2 Days

Introduction

This training is designed to provide Airport operator's , Ground Handler's, and Airline's personnel responsible for the passenger and baggage reconciliation, with specific knowledge and techniques in order to enhance overall protection against acts of unlawful interference in civil aviation.

Who is the course for?

Airport operator's , Ground Handler's and Airline's personnel engaged in passenger and baggage reconciliation at the check-in position (CKI counter), Transit or Transfer desk and/or Gate. Persons directly supervising Ground Handling staff implementing reconciliation of passengers and baggage.

What is the Benefit of this Training – What will I learn?

The training aims to provide participants with theoretical and practical knowledge of fundamental AVSEC standards and recommended practice in the civil aviation and ability to perform passenger and baggage reconciliation process, contributing to the safety and security of passengers, crew, ground personnel, and the public.

Supervise the implementation of the passenger and baggage reconciliation process and the aviation security preventive measures related to passenger and baggage handling.
