

SAS SMS Blogs

No.	Name of the Blog	Hyperlink
1.	Aviation Safety Management System Audit Techniques	https://sassofia.com/blog/aviation-safety-management-system-audit-techniques/
2.	Considering the Primary Challenges Related to the Implementation of Safety Management Systems in an EASA Part 145 Organisation	https://sassofia.com/blog/considering-the-primary-challenges-related-to-the-implementation-of-safety-management-systems-in-an-easa-part-145-organisation/
3.	Who Requires EASA Part CAMO Safety Management System (SMS) and Human Factors (HF) Training?	https://sassofia.com/blog/who-requires-easa-part-camo-safety-management-system-sms-and-human-factors-hf-training-3/
4.	Building a CAMO Risk Register in an EASA Compliant Safety Management System	https://sassofia.com/blog/building-a-camo-risk-register-in-an-easa-compliant-safety-management-system/
5.	How does an Organisation Demonstrate Safety Management System “Continuous Improvement”	https://sassofia.com/news-press/how-does-an-organisation-demonstrate-safety-management-system-continuous-improvement/
6.	Boeing MEDA Supports EASA Part CAMO Safety Management Systems	https://sassofia.com/blog/boeing-meda-supports-easa-part-camo-safety-management-systems/
7.	How to Measure Performance within an EASA Part CAMO Safety Management System (SMS)	https://sassofia.com/blog/how-to-measure-performance-within-an-easa-part-camo-safety-management-system-sms/
8.	Developing Your Aviation Safety Management System Trainer	https://sassofia.com/blog/developing-your-aviation-safety-management-system-trainer/
9.	Safety Management System (SMS) Hazard Identification Methodologies Related to an EASA Part CAMO Organisation	https://sassofia.com/blog/safety-management-system-sms-hazard-identification-methodologies-related-to-an-easa-part-camo-organisation/
10.	Considerations related to the Implementation of Safety Management System within an EASA Part CAMO Organisation (Opinion 06/2016)	https://sassofia.com/news-press/considerations-related-to-the-implementation-of-safety-management-system-within-an-easa-part-camo-organisation-opinion-062016/
11.	Safety Management System (SMS) Hazard Identification Within an EASA Part CAMO Organisation	https://sassofia.com/blog/safety-management-system-sms-hazard-identification-within-an-easa-part-camo-organisation/
12.	When is a Safety Management System (SMS) Required to be Implemented within an EASA Part 145 Organisation?	https://sassofia.com/blog/when-is-a-safety-management-system-sms-required-to-be-implemented-within-an-easa-part-145-organisation/
13.	Considering the Viewpoint of EASA related to the Viability of Safety Management Systems (SMS) within an Aviation Organisation	https://sassofia.com/blog/considering-the-viewpoint-of-easa-related-to-the-viability-of-safety-management-systems-sms-within-an-aviation-organisation/
14.	Changes introduced by COMMISSION IMPLEMENTING REGULATION (EU) 2019/1383 of 8 July 2019 amending and correcting Regulation (EU) No 1321/2014 as	https://sassofia.com/blog/changes-introduced-by-commission-implementing-regulation-eu-20191383-of-8-july-2019-amending-and-correcting-regulation-eu-no-1321-2014-as

	regards to safety management systems in continuing airworthiness management organisations	13212014-as-regards-safety-management-systems-in-continuing-airworthi/
15.	Quality Auditing of Aviation EASA – GCAA Safety Management Systems	https://sassofia.com/blog/quality-auditing-of-aviation-easa-gcaa-safety-management-systems/
16.	Integrating Safety Management Systems and Quality Management Systems	https://sassofia.com/blog/integrating-safety-management-systems-and-quality-management-systems/
17.	Aviation Safety Management Systems Risk Assessment Considerations	https://sassofia.com/blog/aviation-safety-management-systems-risk-assessment-considerations/
18.	Where are the challenges to an Effective Aviation Safety Management System?	https://sassofia.com/blog/where-are-the-challenges-to-an-effective-aviation-safety-management-system/
19.	Where is the Link Between Aviation Safety Management Systems (SMS), HF & MEMS	https://sassofia.com/blog/where-is-the-link-between-aviation-safety-management-systems-sms-hf-mems/
20.	Sofema Aviation Services looks at what is involved in an Aerodrome Compliance Management (CM) & Safety Management System (SMS)	https://sassofia.com/blog/sofema-aviation-services-looks-at-what-is-involved-in-an-aerodrome-compliance-management-cm-safety-management-system-sms/
21.	Safety Management System Implementation	https://sassofia.com/blog/aviation-safety-management-system-implementation-challenges/
22.	Safety Related Benefits of Implementing Aviation Safety Management Systems (SMS)	https://sassofia.com/news-press/safety-related-benefits-of-implementing-aviation-safety-management-systems-sms/
23.	What's in a Safety Management System? Sofema Aviation Services www.sassofia.com considers the background including roles and responsibilities.	https://sassofia.com/blog/whats-in-a-safety-management-system-sofema-aviation-services-www-sassofia-com-considers-the-background-including-roles-and-responsibilities/
24.	Introduction to Overseas Territory Aviation Authority Safety Management Systems	https://sassofia.com/blog/introduction-to-overseas-territory-aviation-authority-safety-management-systems/
25.	The Aviation Executive Managers View and Relationship to the Safety Management Systems	https://sassofia.com/blog/the-aviation-executive-managers-view-and-relationship-to-the-safety-management-systems/
26.	Considering the Critical Issues Associated with Aviation Safety Management System Implementation	https://sassofia.com/blog/considering-the-critical-issues-associated-with-aviation-safety-management-system-implementation/
27.	Integrating Maintenance Error Management System (MEMS) into your EASA Part 145 Organisation Safety Management System (SMS)	https://sassofia.com/blog/integrating-maintenance-error-management-system-mems-into-your-easa-part-145-organisation-safety-management-system-sms/
28.	The Current Safety Management System (SMS) Status within an EASA Part 147 Organisation	https://sassofia.com/blog/the-current-safety-management-system-sms-status-within-an-easa-part-147-organisation/
29.	Is Your Aviation Safety Management System (SMS) – Still Born! What are the indicators?	https://sassofia.com/blog/is-your-aviation-safety-management-system-sms-still-born-what-are-the-indicators/

30.	Do EASA Regulatory Authorities have what it takes to Audit Safety Management Systems (SMS) Performance Based Systems?	https://sassofia.com/blog/do-easa-regulatory-authorities-have-what-it-takes-to-audit-safety-management-systems-sms-performance-based-systems/
31.	Is Weak Regulatory Oversight Spoiling Aviation Safety Management System (SMS) Effectiveness?	https://sassofia.com/blog/is-weak-regulatory-oversight-spoiling-aviation-safety-management-system-sms-effectiveness/
32.	Integration of Maintenance Error Management into your Aviation Safety Management System	https://sassofia.com/blog/integration-of-maintenance-error-management-into-your-aviation-safety-management-system/
33.	Sofema Aviation Services – Teaching and Facilitating Integrated Safety Management Systems	https://sassofia.com/blog/sofema-aviation-services-teaching-and-facilitating-integrated-safety-management-systems/
34.	Aviation Safety Management Systems – The Challenge of Delivering Effective Practical Investigations	https://sassofia.com/blog/aviation-safety-management-systems-the-challenge-of-delivering-effective-practical-investigations/
35.	What do you know about an Aerodrome Safety Management System?	https://sassofia.com/blog/what-do-you-know-about-an-aerodrome-safety-management-system/
36.	What is involved in an Airport Safety Management System?	https://sassofia.com/blog/what-is-involved-in-an-airport-safety-management-system/
37.	Why are so many Aviation Safety Management Systems stillborn? Where are the Indicators?	https://sassofia.com/blog/why-are-so-many-aviation-safety-management-systems-stillborn-where-are-the-indicators/
38.	Developing Airport Safety Management Systems – Rising to the Challenge	https://sassofia.com/blog/developing-airport-safety-management-systems-rising-to-the-challenge/
39.	Aviation Safety Management System (SMS) Cultural Survey	https://sassofia.com/news-press/aviation-safety-management-system-sms-cultural-survey/
40.	Where are the biggest challenges to the successful implementation of the Aviation Safety Management System?	https://sassofia.com/blog/biggest-challenges-successful-implementation-aviation-safety-management-system/
41.	Rising to the Challenge of Safety Management System Hazard Identification and Risk Assessment	https://sassofia.com/blog/rising-challenge-safety-management-system-hazard-identification-risk-assessment/
42.	Aviation Safety Management System – further investigation process derived from the event time line	https://sassofia.com/blog/aviation-safety-management-system-further-investigation-process-derived-from-the-event-time-line/
43.	Aviation Safety Management System Considerations Business Area Owner Responsibilities and a Project Based Response	https://sassofia.com/blog/aviation-safety-management-system-considerations-business-area-owner-responsibilities-and-a-project-based-response/
44.	The Marketing Challenge – bringing people on board our Aviation Safety Management System (SMS)	https://sassofia.com/blog/the-marketing-challenge-bringing-people-on-board-our-aviation-safety-management-system-sms/
45.	The link between Safety Management Systems SMS and Human Factors HF	https://sassofia.com/blog/the-link-between-safety-management-systems-sms-and-human-factors/

46.	What Safety Management System Training do I require for my organization?	https://sassofia.com/blog/what-safety-management-system-training-do-i-require-for-my-organization/
47.	Aviation Safety Management System SMS – Update 2014	https://sassofia.com/blog/aviation-safety-management-system-update-2014/
48.	Where to gather data in a Proactive Safety Management System	https://sassofia.com/uncategorized/gather-data-proactive-safety-management-system/
49.	The challenge of moving the Safety Management System SMS to provide more than regulatory compliance	https://sassofia.com/blog/the-challenge-of-moving-the-safety-management-system-sms-to-provide-more-than-regulatory-compliance/
50.	Introduction to Safety Management Systems and what it means for “US” as employees and managers of an Airline or Maintenance Organisation	https://sassofia.com/blog/introduction-safety-management-systems-means-us-employees-managers-airline-maintenance-organisation/
51.	The Risk Management Process in a Safety Management System	https://sassofia.com/blog/the-risk-management-process-in-a-safety-management-system/
52.	Safety Management System Implementation	https://sassofia.com/news-press/safety-management-system-implementation-2/
53.	Safety Management Systems (SMS) Fundamentals	https://sassofia.com/blog/safety-management-systems-sms-fundamentals/
54.	The Management System Requirements of Regulation 965/2012	https://sassofia.com/blog/the-management-system-requirements-of-regulation-9652012/
55.	EASA Aerodrome SMS Recognition and Ongoing Management of Threats	https://sassofia.com/blog/easa-aerodrome-sms-recognition-and-ongoing-management-of-threats/
56.	Considerations related to Overseas Territory Aviation Requirements (OTAR) Quality Management Systems	https://sassofia.com/blog/considerations-related-to-oversees-territory-aviation-requirements-otar-quality-management-systems/
57.	Aviation Maintenance Safety Management Embracing MEMS for Improved Analysis	https://sassofia.com/blog/aviation-maintenance-safety-management-embracing-mems-for-improved-analysis/
58.	How Effective has been the Implementation of Aviation Safety Management in the Operations Environment with an EASA Environment	https://sassofia.com/blog/how-effective-has-been-the-implementation-of-aviation-safety-management-in-the-operations-environment-with-an-easa-environment/
59.	Techniques for Advanced Safety Auditing – DATA Driven	https://sassofia.com/blog/techniques-for-advanced-safety-auditing-data-driven/
60.	Implementing SMS into Part-M (Annex Vc) Part-CAMO Continuing Airworthiness Management of Aircraft	https://sassofia.com/blog/implementing-sms-into-part-m-annex-vc-part-camo-continuing-airworthiness-management-of-aircraft/
61.	EASA Part CAMO Safety Risk Management Overview	https://sassofia.com/blog/easa-part-camo-safety-risk-management-overview/
62.	Performing a Safety Audit within an EASA Part CAMO Compliant Environment	https://sassofia.com/blog/performing-a-safety-audit-within-an-easa-part-camo-compliant-environment/
63.	Aviation Fatigue Risk Management Systems (FRMS) bring an additional Challenge to the SMS “Table”	https://sassofia.com/blog/aviation-fatigue-risk-management-systems-frms-bring-an-additional-challenge-to-the-sms-table/
64.	Why do we have Quality and Safety systems within our Organisations?	https://sassofia.com/blog/why-do-we-have-quality-and-safety-systems-within-our-organisations/

65.	Aviation Safety System Performance Indicators	https://sassofia.com/blog/aviation-safety-system-performance-indicators/
66.	What is the difference between Aviation Quality & Safety?	https://sassofia.com/blog/what-is-the-difference-between-aviation-quality-safety/
67.	Delivering an Effective State Safety Program SSP	https://sassofia.com/blog/delivering-an-effective-state-safety-program-ssp/
68.	The five challenges facing an organization to implement an effective SMS system	https://sassofia.com/blog/the-five-challenges-facing-an-organization-to-implement-an-effective-sms-system/
69.	The Need to Manage Culture, Training and Competencies in an SMS system	https://sassofia.com/blog/the-need-to-manage-culture-training-and-competencies-in-an-sms-system/
70.	Implementation of Aviation Safety Management in an Operations Environment	https://sassofia.com/blog/implementation-of-aviation-safety-management-in-an-operations-environment/
71.	Implementing Safety Management – SMS in Small to Medium Companies	https://sassofia.com/blog/implementing-safety-management-sms-small-medium-companies/
72.	OPINION NO 03/2011 OF THE EUROPEAN AVIATION SAFETY AGENCY of 19 April 2011	https://sassofia.com/blog/opinion-032011-european-aviation-safety-agency-19-april-2011/
73.	Integrating Quality and Safety in an Aviation Environment	https://sassofia.com/news-press/integrating-quality-and-safety-in-an-aviation-environment-2/
74.	Implementation of Aviation Safety Management in an Operations Environment	https://sassofia.com/blog/implementation-aviation-safety-management-operations-environment/
75.	Aviation SMS & Snake Oil Salesmen	https://sassofia.com/blog/aviation-sms-snake-oil-salesmen/
76.	Considerations Related to the Implementation of Safety Management Systems (SMS) within an EASA Part 145 Organisation	https://sassofia.com/blog/considerations-related-to-the-implementation-of-safety-management-systems-sms-within-an-easa-part-145-organisation/
77.	The Role of Audit Checklists in Support of Aviation SMS Performance Audits	https://sassofia.com/blog/the-role-of-audit-checklists-in-support-of-aviation-sms-performance-audits/
78.	Considering the Role of Assessment, Audit & Inspection within the Safety Management System (SMS) Environment	https://sassofia.com/blog/considering-the-role-of-assessment-audit-inspection-within-the-safety-management-system-sms-environment/
79.	EASA Part 145 SMS Training Objectives & Requirements	https://sassofia.com/blog/easa-part-145-sms-training-objectives-requirements/
80.	Is MEDA a relevant process for PART CAMO SMS?	https://sassofia.com/blog/is-meda-a-relevant-process-for-part-camo-sms/
