

CAMO Learning Path Diploma

INTRODUCTION

The Sofema Online (SOL) CAMO Learning Path Diploma is a comprehensive program made up of multiple integrated online courses. It is designed to support the development of professionals working in or preparing for roles within a Continuing Airworthiness Management Organisation (CAMO).

The diploma provides in-depth coverage of key regulatory and technical topics, including Part-CAMO, Part-M/ML, SMS, AMP, reliability, and human factors. It is especially relevant for Post Holders, Nominated Persons, and Airworthiness Review Staff seeking to broaden their competence and demonstrate regulatory awareness.

Completion of the diploma offers clear evidence of commitment to compliance, safety, and professional development in the CAMO environment.
